File - Helsinki Trip

September 8, 1975

Dear Mark:

I can't tell you how much I personally enjoyed seeing you and Lola in Helsinki. You both looked wonderful.

Finland is quite a country. Everybody in the Presidential party loved it and we are all hoping we will have an opportunity to return.

I got a great kick out of the photograph you sent. Thanks so much for remembering. If there is anything I can do from here for you, please let me know.

Cordially,

Sheila Rabb Weidenfeld

Helsinki
Trip

January 21, 1976

Dear John:

Please forgive me for taking so long to thank you not only for all the help you gave us in Helsinki, but also for the trouble you went to to find the dress I left behind. The latter must have been a freudian jesture on my part. I really enjoyed our stay in Helsinki and had no desire to leave.

Both Jack and I are very grateful for everything you did to make the trip a successful one.

Thanks so much for all your assistance, and particularly for taking the time out of your day to run around looking for the dress and mailing it to me.

I hope if you ever have time to come to Washington, you will give me a call. It would be fun seeing you again.

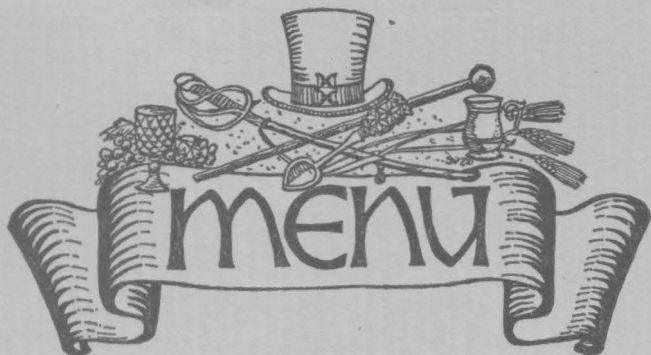

Best wishes,

Sheila Rabb Weidenfeld

Minister for Foreign Affairs Mariano Rumor, Secretary General of the Foreign Ministry Raimondo Manzini, and Diplomatic Counselor of the Prime Minister Francesco Vallauri will accompany the Prime Minister. Secretary Kissinger and General Scowcroft will attend from the U. S. side.

MORNING CSCE PLENARY SESSION

At 9:15 a. m. you will depart en route Finlandia Hall for the morning CSCE Plenary Session scheduled to run for 3 hours and 30 minutes. The Chairman for the Session is the Head of the Delegation of Liechtenstein. Following the Spanish Head of Delegation, you will address the Session for 20 minutes. The Heads of Delegations of Malta, Netherlands, Monaco, Norway and Romania speak after you.

MEETING WITH PRESIDENT GISCARD D'ESTAING

President Giscard d'Estaing will arrive at the Embassy Residence at 1:30 p. m. for a one hour-15 minute working luncheon. Other attendees will be Jean Savagnargues, Minister of Foreign Affairs, Claud Pierre-Brossolette, Secretary General of the Presidency of the Republic of France, Secretary Kissinger and General Scowcroft.

AFTERNOON CSCE PLENARY SESSION

At 2:45 p. m., you will depart the Embassy Residence en route Finlandia Hall for the afternoon CSCE Plenary Session which is scheduled for 1 hour 45 minutes. The Chairman for the Session is the Head of the Delegation of the United Kingdom. Heads of Delegations address the session for 20 minutes each in the following order: Liechtenstein, San Marino, Luxembourg, and the Holy See. The Session will end sometime between 4:30 and 4:45 p. m.

CSCE FINAL DOCUMENT SIGNING

The concluding ceremony at which the CSCE Final Document will be signed will take place fifteen minutes after the Plenary Session at approximately 5:00 p. m. The 35 Heads of State or Government will be seated at a long rectangular table in French alphabetical order. You will sit between German Democratic Republic First Secretary Honecker and Austrian Chancellor Kreisky and will be the third to sign.

The participants will each sign only once on a separate page after the last item of the CSCE Document which is drawn up in English, French, German, Italian, Russian and Spanish. This original document will be retained in the Archives of the Government of the Republic of Finland. Each of the participating states will subsequently receive from the Finnish Government a true copy (copy certified by the Finnish Foreign Minister) of this final Act. The Finnish Government will transmit the text of this final Act to the Secretary General of the United Nations and to the Director General of UNESCO.

Following the Document signing, President Kekkonen makes brief remarks, concludes the Conference and invites you and the other Delegates to the Delegates Lounge for champagne. You mingle informally for 10-15 minutes and depart en route Embassy Residence.

MEETING WITH PRIME MINISTER ARIAS OF SPAIN

Following the Signing Ceremony, you will return to the Embassy Residence where you will meet with Prime Minister Arias of Spain for 30 minutes. (Approximately 6:15 to 6:45 p. m.)

TOUR OF ICEBREAKER "UHRO"

At 7:30 p. m., you and Mrs. Ford will visit the Icebreaker "Urho" where you will join President Kekkonen and take a walking tour followed by a brief, informal buffet dinner in the salon. Also invited are Secretary Kissinger, Ambassador and Mrs. Austad, Finnish Foreign Minister and Mrs. Mattila, and Finnish Ambassador to the United States and Mrs. Tuominen.

The "Urho", named after President Kekkonen, is the newest and largest version of the Finnish icebreakers. The Finnish build the best and most sophisticated icebreakers in the world and have sold several to Western European countries and to the Soviet Union.

As you know, the problem of extreme winter freezing of the Great Lakes has been one of major concern for many years. Each day the Lakes are frozen, 20,000 jobs come to a halt. Sixty thousand additional jobs are indirectly halted. The countless additional number of frozen-area jobs affected make the daily loss a substantial and critical one. You will recall that Senator Griffin and Congressman Ruppe briefed you on the situation during your recent visit to Mackinac Island. The possible acquisition of Finnish icebreakers would aid the Finns economically as well as fulfill a need in the Great Lakes Area.

You will return to the Embassy Residence at approximately 9:00 p. m.
