THE PRESIDENT HAS SEEN. November 3, 1976

Dear Mr. President,

AH  
No one wished harder for your election than I did; no one is now more disappointed than I am.

But I am comforting myself in the knowledge that your place in history is secure. No one could have done more - for a strong defense, for stronger ties with our allies, for a healthy economy, and especially for restoring the confidence of the American people in our system.

I have the greatest respect and admiration for you. I am extremely proud to have served as your Secretary of the Army and your Campaign Chairman.

Beth joins me in sending best wishes to you, Betty, and the family.

Sincerely,

Bo
