NEW JERSEY

DELEGATES AT LARGE

Honorable  
Clifford P. Case  
Russell Senate Office Building  
Washington, D.C.

Dear Cliff:  
202/224-3224

United States Senator since 1954  
Chairman of the Delegation  
Former member of Congress; Lawyer  
Senator Case has said that he doesn't feel the time is right for the New Jersey delegation to meet and publically announce its commitment to the President. This is causing real problems because several of the delegates do not want to offend the Senator, yet, there is movement in the delegation until we can get them officially committed. At one point it was felt that a 67 to 0 vote was very possible. Although we still feel that the President will get at least 60 votes, all are uneasy until there is a formal delegation meeting which Senator Case has been unwilling to call. It should be remembered that New Jersey has historically been difficult and in the past the Senator has had his delegation "stolen" from him.

Mr.  
Benjamin H. Danskin

201/852-2610  
852-1022;4319

Worked unted Tom Kean's patronage as Sargeant-at-Arms of the State Assembly when Kean was Speaker;  
Presently unemployed  
Mrs. Webster Todd (Eleanor) has influence over him although he is very conservative and concerned about his local base which would tend to be pro-Reagan.  
Is expected to support the President but may be soft.

Mr.  
Richard W. Seabury III  
16 Hillcrest Avenue  
Towaco, New Jersey 07082

Dear Dick:  
201/334-3100  
339-1876

Morris County Republican Chairman with a family business  
He has been extremely helpful to the PFC campaign and is solid for the President.

FOURTEENTH CONGRESSIONAL DISTRICT

Hudson County

(NOTE: Hudson County is somewhat enigmatic in New Jersey politics and can never be the subject of an actual reading. Our best estimate is that the delegation will be responsive to Senator Case, but both sides have evidence they could get their votes. Nevertheless we must carefully monitor the situation because it is a conservative area which is so strongly Democratic that the Republican County Chairman holds a Democratic patronage job with the County.

Mr.

Julius D. Canter  
921 Bergen Avenue  
Jersey City, New Jersey

Dear Julius:  
201/653-0102

Deeply religious person who has spoken to the President and told him that he is praying he can vote for him. He is a lawyer and we are carrying him as leaning toward the President. Senator Case should be helpful to us with this entire delegation.

Mr.

Joseph A. Plonski  
2600 Kennedy Boulevard  
Jersey City, New Jersey 07306

Dear Joe:  
201/653-3100

Real estate broker who is very conservative and believed to be leaning toward Reagan although Senator Case feels that he will vote for the President.

Mrs.

Evelyn Holender  
24 College Drive  
Jersey City, New Jersey 07305

Dear Evelyn:  
201/432-9310

Active party worker who will be guided by the rest of her delegation and the county chairman whom Rog Morton called and who said that they expected to follow Senator Case's leadership.

Mr.

Peter D. Morgan

Will not attend the White House reception or the convention; recovering from a massive heart attack.

The alternates will follow the organization's leadership and only one has asked specific questions which the President should be briefed on:

Fourteenth Congressional District (concluded)

Mr.

Joseph Yglesias  
ALTERNATE DELEGATE  
22 East 42st Street  
Bayonne, New Jersey 07002

Dear Joe:

201/823-4452 (or)  
609/296-8635

Is concerned with two issues: the possibility of the Navy Base in Bayonne being closed, and the question of CETA funds for the area.

Mr. Yglesias is holding a raffle to earn his travel and expenses for the convention.

FIFTEENTH CONGRESSIONAL DISTRICT

Mr.

Andre W.M. Gruber  
13 Norton Road  
Monmouth Junction, New Jersey 08852

Dear Andre:  
201/249-2141

Middlesex County Republican Chairman who is a very strong conservative and also deeply devout. He is truly uncommitted and told the President that in a telephone conversation. He is an attorney who puts his county first so that he can be persuaded to vote for the President based on the damage Reagan would do to his ticket.

Mrs. Eudora A. Pike  
5323 Foster Street  
Placataway, New Jersey 08854

Dear Eudora:  
201/463-1433

Will be strongly influenced by Gruber because she is his county vice chairman. She also has a crush on movie idol, Ronald Reagan, if not Presidential candidate Reagan. Listed as uncommitted but could be troublesome unless Gruber exerts pressure, once he swings to the President.

Mr.

Donald Katz  
97 State Street  
Perth Amboy, New Jersey 08861

Dear Don:  
201/826-6078

Very conservative former Young Republican who is not very well known in the state or his area but was put on the slate by Gruber. He is listed as uncommitted but if we get Gruber we should get Katz.

Honorable  
S. Elliott Mayo  
31 Rayle Court  
Metuchen, New Jersey 08840

Dear Elliott:  
201/548-2989  
548-7193

Member of the Middlesex County Board of Freeholders from 1972 to 1976, he is an engineer who is solid for the President.
