Let's Clean Up America For Our 200th Birthday

PROPOSED PROCLAMATION

Our Nation's 200th birthday is less than two years away, and much has been accomplished through the Johnny Horizon '76 Program toward improving the environment of our country for this historic event. To date thousands of schools; churches; youth groups; chambers of commerce; conservation, civic and commercial organizations; and millions of private citizens have joined in partnership with Johnny Horizon '76 in a wide range of projects to create environmental awareness and to beautify America.

Our most precious environment is the area in which we live - our city streets and rural towns - and this is where each individual can effectively exercise his responsibility. This has been exemplified by the many action projects which have been undertaken thus far across our country.

Yet, much remains to be done.

We need to continue to improve our environment, and to develop a conservation/environmental ethic. To dramatize this need, the Congress has by House Joint Resolution 1070, 93rd Congress, designated the period of September 15 to October 15, 1974, as "Johnny Horizon '76 Clean Up America Month" and requested the President to issue a proclamation calling for observance of this month.

NOW, THEREFORE, I, Gerald R. Ford, President of the United States of America, do hereby proclaim Clean Up America Month, and ask our nations's attention to the Johnny Horizon '76 environmental awareness and action program for America's 200th birthday and related Bicentennial activities. I urge representatives of business, industry, labor, govern-

ment, civic groups and other citizens to continue to join together to demonstrate the significant results that can be realized when Americans translate their concern into affirmative action. I further urge a continuation of neighborhood and community cleanups, beautification programs, resource recovery and education programs, energy and wildlife conservation efforts and other worthwhile activities.

IN WITNESS WHEREOF, I have hereunto set my hand this _____ day of _____, in the year of our Lord nineteen hundred seventy-four, and of the Independence of the United States of America the one hundred ninety-ninth.

To date, thousands of schools; churches; youth groups; chambers of commerce; conservation, civic and commercial organizations and millions of private citizens have joined in partnership with Johnny Horizon '76 in a wide range of projects to create environmental awareness and to beautify America.

Our most precious environment is the area in which we live -- our city streets and rural towns -- and this is where each individual can effectively exercise his responsibility. This has been exemplified by the many action projects which have been undertaken thus far across our country.

We need to continue these improvements. To dramatize this need, the Congress has by House Joint Resolution 1070, 93rd Congress, requested the President to proclaim the period of September 15, 1974, to October 15, 1974, as "Johnny Horizon '76 Clean Up America Month."

NOW, THEREFORE, I, GERALD R. FORD, President of the United States of America, do hereby proclaim the period September 15 through October 15, 1974 as Johnny Horizon '76 Clean Up America Month and ask our Nation's attention to the Johnny Horizon '76 environmental awareness and action program for America's 200th birthday and related Bicentennial activities. I urge representatives of business, industry, labor, Government, civic groups, and other citizens to continue to join together to demonstrate the significant results that can be realized when Americans translate their concern into affirmative action. I further urge a continuation of neighborhood and community clean-ups, beautification programs, resource recovery and education programs, energy and wildlife conservation efforts and other worthwhile activities.

IN WITNESS WHEREOF, I have hereunto set my hand this day of *September*, in the year of our Lord nineteen hundred seventy-four and of the independence of the United States of America, the one hundred ninety-ninth.
