MEMORANDUM FOR

THE PRESIDENT

FROM:

JIM CANNON *J. Cannon*

SUBJECT:

S. 3063 - Ozark-Jeta Taylor Lock and Dam, Arkansas

Attached for your consideration is S. 3063, sponsored by Senator McClellan.

The enrolled bill renames the Ozark Lock and Dam on the Arkansas River, Arkansas, as the "Ozark-Jeta Taylor Lock and Dam." Jeta Taylor was a pioneer in the movement that led to navigation on the Arkansas River and worked for more than 30 years to see the Ozark Lock and Dam become a reality.

Additional information is provided in OMB's enrolled bill report at Tab A.

OMB, Max Friedersdorf, Counsel's Office (Lazarus) and I recommend approval of the enrolled bill.

RECOMMENDATION

That you sign S. 3063 at Tab B.

OCT 13 1976

MEMORANDUM FOR THE PRESIDENT

Subject: Enrolled Bill S. 3063 - Ozark-Jeta Taylor
Lock and Dam, Arkansas
Sponsor - Sen. McClellan (D) Arkansas

Last Day for Action

October 23, 1976 - Saturday

Purpose

Renames the Ozark Lock and Dam on the Arkansas River, Arkansas, as the "Ozark-Jeta Taylor Lock and Dam."

Agency Recommendations

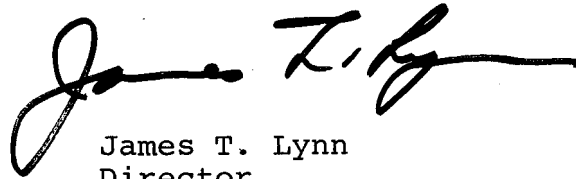

Office of Management and Budget	Approval
Department of the Army	Approval

Discussion

The Ozark Lock and Dam, Arkansas, is an integral part of the McClellan-Kerr Arkansas River Navigation System. The lock and dam was completed in 1969 and the balance of the project is substantially finished. The project provides hydroelectric power and has advanced navigation on the Arkansas River.

Jeta Taylor was a pioneer in the movement that led to navigation on the Arkansas River and he worked for more than 30 years to see the Ozark Lock and Dam become a reality.

In recognition of Mr. Taylor's contributions on behalf of this project, S. 3063 would redesignate the Ozark Lock and Dam as the "Ozark-Jeta Taylor Lock and Dam."

A handwritten signature in black ink, appearing to read "James T. Lynn". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

For the President

DEPARTMENT OF THE ARMY
WASHINGTON, D.C. 20310

12 OCT 1976

Honorable James T. Lynn

Director, Office of Management and Budget

Dear Mr. Lynn:

This is in reply to your request for the views of the Department of the Army on enrolled enactment S. 3063, 94th Congress, "Designating Ozark Lock and Dam on the Arkansas River as the 'Ozark-Jeta Taylor Lock and Dam'."

The Department of the Army recommends approval of the enrolled enactment.

The purpose of the Act is to rename the Ozark Lock and Dam in honor of the late Mr. Jeta Taylor.

The Department of the Army considers enactment of this measure desirable because the late Jeta Taylor was a leading supporter of the McClellan-Kerr Project for the Arkansas River, and was active in and served as President of the Arkansas Basin Association. Jeta Taylor also was a founder and first President of the Ozark Development Association, and he served as President of the Ozark Dam Society. In addition, Jeta Taylor served as Chairman of the Arkansas River Basin Interstate Committee and as a representative of the Governor of Arkansas to that Committee for many years. At the time of his death on December 31, 1973, Jeta Taylor was serving as First Vice President of the Arkansas Basin Association and as Chairman-elect of the Arkansas River Basin Interstate Committee.

In a resolution adopted on February 1, 1974, the Arkansas Basin Association requested that Lock and Dam No. 12 be renamed to honor Jeta Taylor.

Approval of the enactment will have no fiscal effect upon the Department of the Army.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles R. Ford".

Charles R. Ford
Deputy Asst. Secretary of the Army
(Civil Works)

REPORT
No. 94-921

DESIGNATING THE OZARK LOCK AND DAM AS THE "OZARK-JETA TAYLOR LOCK AND DAM"

MAY 26, 1976.—Ordered to be printed

Mr. RANDOLPH, from the Committee on Public Works,
submitted the following

REPORT

[To accompany S. 3063]

The Committee on Public Works, to which was referred the bill (S. 3063) to provide that the Ozark Lock and Dam, Arkansas River, Arkansas, shall hereafter be known as the Ozark-Jeta Taylor Lock and Dam, having considered the same, reports favorably thereon without amendment and recommends that the bill do pass.

PURPOSE

The purpose of S. 3063, as reported, is to rename the Ozark Lock and Dam on the Arkansas River, Arkansas, in honor of the late Jeta Taylor, former president of the Arkansas Basin Association.

GENERAL STATEMENT

Authorized in 1946, the Ozark Lock and Dam is an integral part of the McClellan-Kerr Arkansas River Navigation System. The project provides for navigation and hydroelectric power, as well as other purposes. The lock and dam was completed in 1969, and the balance of the project is nearly complete.

Jeta Taylor was a pioneer in the movement that led to navigation on the Arkansas River, and worked for more than 30 years to see the Ozark Lock and Dam become a reality. He was president of the Arkansas Basin Association from 1963 to 1965 and served as a member of the board of directors subsequent to that time. He died in 1973.

COMMITTEE VIEWS

The committee considers that redesignation of the Ozark Lock and Dam as the Ozark-Jeta Taylor Lock and Dam is appropriate in view of Mr. Taylor's efforts on behalf of the project.

COST OF LEGISLATION

Section 252(a)(1) of the Legislative Reorganization Act of 1970 requires publication in this report of the committee's estimate of the costs of reported legislation, together with estimates prepared by any Federal agency. There is no cost to the Federal Government authorized by this legislation. Because there is no cost involved, no report of the Congressional Budget Office is included herein.

ROLLCALL VOTES

Section 133 of the Legislative Reorganization Act of 1970 and the rules of the Committee on Public Works require that any rollcall votes be announced in this report. During the committee's consideration of this bill, no rollcall votes were taken. The bill was ordered reported by a unanimous voice vote of the Committee.

CHANGES IN EXISTING LAW

In compliance with subsection 4 of rule XXIX of the Standing Rules of the Senate, it is reported that this bill effects no change in existing law.

○

Ninety-fourth Congress of the United States of America

AT THE SECOND SESSION

*Begun and held at the City of Washington on Monday, the nineteenth day of January,
one thousand nine hundred and seventy-six*

An Act

Designating Ozark Lock and Dam on the Arkansas River as the "Ozark-Jeta Taylor Lock and Dam".

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Ozark Lock and Dam, Arkansas River, Arkansas, authorized by the Rivers and Harbors Act of 1946 approved July 24, 1946, shall hereafter be known as the Ozark-Jeta Taylor Lock and Dam, and any law, regulation, document, or record of the United States in which such project is designated or referred to shall be held to refer to such project under and by the name of "Ozark-Jeta Taylor Lock and Dam".

Speaker of the House of Representatives.

*Vice President of the United States and
President of the Senate.*
