

YALE UNIVERSITY

Thursday

Dear Freddy:

You no doubt will be greatly surprised to hear from me, but I'm going to be in Philly next Saturday, Oct 30, and thought we might get together. Saturday afternoon I'll be working, scouting the Harvard-Princeton football game but that night I will be as free as the wind. We might even take in New York for by that time, this has been a hectic football season, I'll be ready for a lot of laughs.

Set me know as soon as possible whether you can make it. I hope you can. My address is still the Yale a. a. New Haven Conn.

My very best
