MEMORANDUM FOR THE PRESIDENT

FROM : JIM CANNON *Jimi*
SUBJECT : George Rogers Clark Park
Vincennes, Indiana

ARC 7

As you may recall, we were unable to advance the proposal for a Visitor's Center at this national park because a member of the Advisory Council for Historic Preservation had recommended against it.

Since that time, Secretary Morton has reviewed the matter and asked that the adverse finding by the Council staff be reviewed by the full Council, by May 8, 1975. This is a first step toward getting the Visitor Center built.

I talked today with Governor Bowen about our efforts, and will continue to follow the matter.
