

White House Communications Agency Audiotapes: Gerald R. Ford Presidential Speeches, Remarks, and News Conferences, 1947-77

The White House Communications Agency (WHCA) recorded President Ford's speeches, news conferences, and other public statements. The table below lists these recordings and is based on WHCA's daily inventory log. Actual tape times may differ from what was indicated by the White House staff. Use the search capabilities in your PDF reader program to locate specific people or keywords in this table. There are no copyright restrictions with these recordings.

A select group of audio recordings are available as WAV and MP3 Files through links in the table below. To purchase a copy of additional recordings, or for more information about the events listed, please contact the reference staff at ford.library@nara.gov. Transcripts of President Ford's public remarks are available through the American Presidency Project at www.presidency.ucsb.edu.

Digital File Note: In some cases the Library has digitized only the presidential remarks portion of the original audio tape. In other cases the full tape was digitized.
