

## White House Communications Agency Audiotapes: Press Briefings, Pool Reports, and Miscellaneous, 1974-77

The White House Communications Agency (WHCA) recorded press briefings by various officials, press pool reports, and occasional other events during the administration of Gerald Ford. The table below lists these recordings and is based on WHCA's daily inventory log. Actual tape times may differ from what was indicated by the White House staff. Use the search capabilities in your PDF reader program to locate specific people or keywords in this log. There are no copyright restrictions with these tapes.

To purchase a copy of these recordings, locate transcripts (when available), or for more information about the events listed, please contact the reference staff at [ford.library@nara.gov](mailto:ford.library@nara.gov).
