### Series

D1-D5      ***PPO Operations Office Files: Subject File, 1974-77. (2.1 linear feet)***

This series contains files on subjects pertaining mostly to the day-to-day work of the Presidential Personnel Office. The files include reports on Federal non-career hiring and Federal employment statistics, office procedures and forms, and correspondence with potential appointees, confirmed appointees, and their references. Most of the correspondence is gathered in a chronological subseries, but some can be found under various subjects.

Arranged alphabetically.

*Review of this series for opening is not yet complete, but if you contact the Library in advance the staff may be able to open specific individual folders for research use.*

D5-D7      ***PPO Operations Office Files: Congressional and National Committeemen Requests, 1975 . (0.9 linear feet)***

This series consists of files related to persons recommended by U.S. Members of Congress and Republic Party officials for Presidential appointments. The files contain summary reports of personnel appointed and not appointed and occasionally letters of recommendation.

Arranged in two main groups: Senate and House, thereunder alphabetically. The “National Committeemen” file appears at the beginning of the series.

*Review of this series for opening is not yet complete, but if you contact the Library in advance the staff may be able to open specific individual folders for research use.*

D7-D11      ***PPO Operations Office Files: Executive Orientation Program File, 1975-76. (1.9 linear feet)***

This series contains material pertaining to a series of orientation sessions organized by the Presidential Personnel Office for new non-career Federal executives. These orientations provided new appointees with information on Federal workplace culture and procedures. The bulk of this series relates to the planning and organization of the sessions and attendee evaluations. Also included in the series is the orientation notebook provided to the attendees (“Red Book”), and materials related to its development.

Arranged alphabetically.
