

WHITE HOUSE CENTRAL FILES NAME FILE, 1974-77

Collection Type

Federal Records

Extent

1420 linear feet (ca. 2,840,000 pages)

Record Type

Textual

Access

Open in part. Some items are temporarily restricted under terms of the donor's deed of gift, a copy of which is available on request, or under National Archives and Records Administration general restrictions (36 CFR 1256).

Copyright

President Ford has donated to the United States of America his copyrights in all of his unpublished writings in National Archives collections. The copyrights to materials written by other individuals or organizations are presumed to remain with them. Works prepared by U.S. Government employees as part of their official duties are in the public domain.

Processed by

William McNitt, January 1993; revised by J.P. Schmidt, December 2012
