Hosting an event at the Gerald R. Ford Presidential Museum

Presidential Libraries and Museums promote understanding of the presidency and the American experience. They preserve and provide access to historical materials, support research, and create interactive programs and exhibits that educate and inspire.

Presidential Libraries and Museums are not libraries and museums in the usual sense. They are America's national treasures - - archives and museums, bringing together in one place the documents and artifacts of a President and his administration and presenting them to the public for study and discussion without regard for political considerations or affiliations. Presidential Libraries and Museums, like their holdings, belong to the American people.

The Gerald R. Ford Presidential Museum was dedicated by President Ford in September of 1981, and has graced the west bank of the Grand River for over 35 years as an incomparable venue for events attended by Presidents, First Ladies, foreign heads of state, dignitaries, and celebrities. After closing down for an extensive remodel and renovation in October of 2015, the Museum re-opened on June 7, 2016 with the addition of a new education center and permanent exhibit on the life of Gerald R. Ford.

The Gerald R. Ford Presidential Museum auditorium, lobby, and new education/meeting rooms are available for dinners, receptions, and ceremonies, as well as lectures, seminars, and similar educational activities when authorized by the Director or Deputy Director. These activities shall not interfere with the normal operations of the facility, and must be consistent with the public perception of the Museum as an educational, research, or cultural institution.

The Gerald R. Ford Presidential Museum is part of the National Archives and Records Administration, and use of the facilities and grounds are governed by federal rules and regulations. Event plans must conform to Museum rules and procedures, as well as all state and federal fire, safety, and security regulations.

APPLICATION AND PERMIT FOR USE OF SPACE IN PRESIDENTIAL LIBRARIES AND GROUNDS

CONDITIONS OF USE

LIBRARY PROVISIONS: The Library Director or Deputy Director may assess additional charges to reimburse the Government for expenses incurred as a result of the use by groups of Libraries and Grounds. Each Library: (1) sets its own schedule for fees to be charged and policies for reservations, payments, and refunds; (2) decides what times are available for outside events; and (3) determines the number of people allowed for outside events. In addition, each Library may impose conditions that apply to only that Library. A NARA staff member must be present during the entirety of the event (from set-up to breakdown).

PROHIBITIONS: Use of the auditoriums and other public spaces will not be authorized for any profitmaking, commercial advertising and sales, partisan political, sectarian, or similar purpose. No admission fee will be charged except by the Library, no indirect assessment fees will be made for admission, and no on-site collections will be taken. Organizations are prohibited from representing, implying, or suggesting in their invitations, publicity, or otherwise that the Library endorses, sponsors, or in any way approves of the organization. Smoking (including e-cigarettes) is prohibited inside all NARA facilities, including Library buildings; smoking outside is permitted only in certain designated areas (notification of which will be provided by each Library). Open flames are prohibited at all times on Library grounds (both inside and outside).

EVENT SECURITY: NARA is responsible for the security and safety of the occupants, facility, and ground at all times. Event security guidelines follow:

Exceptions to this policy must be approved 48 hours in advance by the Library Director in consultation with the Director, Security Management Division.
- 3) Unless an individual meets the exceptions outlined in paragraphs 1 and 2 of this section, only NARA security personnel are authorized to possess firearms at the facility.
- 4) Individuals found in possession of any firearms, dangerous weapons or other prohibited items will have those items confiscated, will be detained and released to local law enforcement.

**GERALD R. FORD PRESIDENTIAL MUSEUM
FOOD AND BEVERAGE SERVICE
CATERING POLICIES AND PROCEDURES**

The Gerald R. Ford Presidential Museum is administered by the National Archives and Records Administration. The Museum requires all caterers and their staff to adhere to the Rules and Regulations Governing Buildings and Grounds issued by the federal government as well as the Catering Policies and Procedures of the Gerald R. Ford Presidential Museum. Any questions concerning these policies should be addressed directly to the Special Events Coordinator. Museum and federal government policies relate to the nature and protection of materials contained in this building. The Gerald R. Ford Presidential Museum is the custodian of the artifacts and memorabilia collected by and given to President Ford, his family, and his administration. The Museum has strict policies on security, fire prevention, and cleanliness, and therefore requires the following:

Guidelines for Caterers:

Food and beverage may be served during events and receptions. Food and beverage service may be personally or professionally catered. The Applicant is responsible for making the catering arrangements, to include the entire set up, break down, and clean-up operation.

If professional caterers are used, (the Museum does not maintain an approved caterer list), the Applicant must insure that the caterer has a current state catering license and general liability insurance.

Caterers must abide by all fire codes and regulations. The blocking of doors, fire extinguishers, fire alarms or emergency exits is strictly prohibited. Museum staff has the final word on all such matters.

All service vendors are required to sign in with Security upon arrival, and sign out upon departure.

Cooking is not permitted inside the building. The use of temporary ovens or other catering food preparation equipment is prohibited within 50 feet of outside walls of the Museum. The Museum strictly enforces this policy. There are no exceptions.

The Museum kitchen has counter work spaces, limited refrigeration space, running hot and cold water, and electrical access. Caterers will provide all utensils to perform their job, including but not limited to: plates, napkins, silverware, serving spoons, can opener, extension cords, bowls, aluminum foil, plastic wrap, coffee pot and/or pitchers. Museum cupboards and drawers are off limits. Caterers are responsible for providing ice for the event. If the caterer needs something, please ask a Museum representative for assistance.

Food should be prepared in the kitchen area. No open flame for food preparation is allowed anywhere, but Sterno® is permitted. If Sterno® is used, **a catering attendant must be stationed at its location at all times.**

Delivery and Arrival:

The Applicant's caterer is responsible for the provision of tables, chairs, and other items. Please discuss all deliveries with Museum staff. **The Applicant must provide the Museum with a schedule of all event deliveries one week prior to the rental**, in the form of a catering itinerary form, for the load-in of all catering, rental companies, florists, audio-visual companies, liquor deliveries or other vendors servicing the event. Please be advised that Museum personnel will not accept or sign for any event deliveries.

Caterers will be allowed to bring catering materials into the Museum at an agreed-upon time on the day of the event. Once items have been delivered to the Museum, the caterer or Applicant is responsible for transporting them within the building. All items should be carried in or brought in on carts to prevent marring the floors. Organizations or caterers must provide their own carts.

All caterers and other personnel hired to provide a service for an event at the Museum must use the back loading dock area for all deliveries. At no time will event food, beverages, equipment, or decorations be brought into the Museum through the front door. The back loading dock is located off Scribner Avenue, and is the second driveway on the right. For further delivery instructions, contact the Museum Security Office at (616) 254-0383.

Set Up:

The Museum does not provide set-up services. Caterers or Applicants are responsible for the entire set up of tables, chairs, table covering, skirting, and other items. Set up may begin at an agreed-upon time on the day of the event.

Balloons, propane, butane, candles, and votive candles are not permitted. Fresh cut flowers, live potted plants, and dried floral decorations and arrangements are permitted, as well as flame-less candles.

Care should be taken that all Museum furniture is adequately protected. It is the responsibility of the caterer/Applicant to ensure that no glasses, plates, or other items are placed on any exhibit cases. All décor or signs must be free standing. Taping or tacking of anything to walls or exhibit cases in the Museum is not permitted.

Please note that set up may not interfere with Museum visitors or guests at any time.

Alcohol:

The Applicant may request permission to serve beer or wine by completing and submitting the APPLICATION FOR PERMISSION TO SERVE ALCOHOLIC BEVERAGES. No event may dispense alcohol without written permission from the Director/Deputy Director of the Museum. Event organizers should discuss proposed plans in detail with the appropriate Museum personnel.

Alcoholic beverages are permitted in an open bar setting only, and cash bars or ticket systems for alcoholic beverages are prohibited. Liquor service must conform to the City of Grand Rapids and State of Michigan regulations.

All caterers must be fully licensed and have full liquor liability insurance. Serving alcohol to minors on Museum property is forbidden. The caterer/server is responsible for monitoring these activities.

The serving of alcohol must cease one half hour prior to the end of the event. Under no circumstances will exceptions be made to this policy.

Clean up and Departure:

Breakdown must occur immediately after the event. Tables, chairs and other items must be removed from public areas.

Caterers are permitted one hour to break down, clean up, and load out of the facility after the event. Caterers must have sufficient staffing for this purpose. The Museum reserves the right to assess a fee if the load out goes beyond this time.

Caterers should provide cleaning supplies. This includes but is not limited to dish soap, trash bags and paper Towels. The caterer is responsible for cleaning all kitchen surfaces, sinks and floors in the catering kitchen. If food has been transported to another area of the building, any spills in hallways must be cleaned up. Removal of carpet stains incurred during the course of the event is the responsibility of the caterer and must be reported to Museum staff immediately. Failure to do so may result in additional charges.

Pick up of all rental equipment must take place by 10:00 a.m. the following morning (or the first day the rental company is open following the event), or the Applicant will incur additional charges.

Caterer and/or Applicant is responsible for the removal of trash from the premises immediately following the event. The Museum reserves the right to assess a fee if any clean up or maintenance is required by the Museum after the event. If clean-up is not performed, a minimum amount of \$100 will be charged to the Applicant.

If food is left on a drop-off basis, **the caterer must return within one-half hour after event time to remove equipment, clean area, and remove trash.**

Caterers must contact the Museum Special Events Coordinator for a walk through prior to check out and departure.

I have read the above policies of the Gerald R. Ford Presidential Museum and agree to comply with and operate under these conditions.
