MEMORANDUM FOR: RICHARD B. CHENEY
THROUGH: JAMES E. CONNOR
FROM: DAVID C. HOOPES
SUBJECT: Indoor Golf Range

Two options have been reviewed for the Indoor Golf Range. They are:

_____ Option 1: OEOB 89 (Ground Floor OEOB near the ramp leading to South Court). Presently occupied by Executive Protective Service. EPS will relocate to OEOB 4th floor if this option is selected.

_____ Option 2: Residence Billiard Room, Third Floor. Billiard table not used regularly and could be relocated to bunker area.

Robert Spindell, who will install the indoor golf range, favors the Residence location. Residence location advantages: proximity to the President, security, less apt to cause attention.

(Note: Eisenhower's indoor golf range was in the bunker area, but several large generators are in that room now. Drawing of the Billiard Room is attached.)

Farrell will select the group from the general tour, probably selecting Scouts, older Americans or the like.

Hopefully, the group will be from one of the key upcoming primary states. We will alert the press pool and let them take some pictures.

Mr. President,

First, Rose and I should like to congratulate you on your recent victories in the 1976 election primaries, and to let you know of our wish for the momentum to carry through.

I thoroughly enjoyed playing the Walter Hagen Classic. It was a pleasure to meet Ron Kramer and all the other fine people associated with the Cancer Society.

Your schedule and present campaign endeavors notwithstanding, I am taking the liberty of keeping you informed as to the progress of the upcoming 1976 Lee Elder Celebrity Pro-Am golf tournament (June 11-14, Tanglewood Park, Winston-Salem, N.C.). Here I must boast that from all indications, this year promises to be the greatest tournament we have ever presented.

The North Carolina people are responding with overwhelming enthusiasm. The Chairman of the Board of R. J. Reynolds and the President of Wachovia Bank there in Winston-Salem are some of the outstanding citizens serving as co-honorary chairmen. And, as you are already aware, General "Chappie" James is our national honorary chairman this year.

Some of the reknown pros playing are Bruce Devlin, Hubie Green, Jim Weichers; and Gary Player is giving a clinic on the morning of Monday 14th. We are happy to have representatives from other sports playing as well. For example, K.C. Jones, Earl Monroe, Joe Louis, Julius Erving are among those participating. Naturally, we are excited about all of this; and as I said above, this will be the "greatest."

Here also is something to note: the Minneapolis Honeywell people are donating two cameras to the Foundation and I understand efforts are underway to ask your lovely daughter Susan to make the presentation at our tournament.

Needless to say, Mr. President, your presence at our tournament would not only be a gracious gesture to us, but would give a much needed lift to our youth--as you know, their eyes are upon sporting events more today than ever before. And we both know that good sportsmanship goes hand-in-hand with good citizenry.

My ardent petitions for you to join with us this year are not selfless, for which I must apologize; but I have not had the honor of playing golf with the President of the United States for some time now.

Very truly yours,

Lee Elder
