FROM:                   BOB WOLTHUIS

Yesterday I discussed with Gillis Long the possibility of inviting the Bolling group to the White House for the Hughes briefing on Monday, April 5. The group is now headed by Gillis Long and he called me back this morning and indicated that they have no problem with us extending the invitations.

Long himself will be out of town and he did ask that we handle it as an exclusive White House event. Therefore, I recommend that we begin the invitations to the attached list. Schroeder, Simon and Mineta are new additions to the group since they met with the President in June 1975.
