THE WHITE HOUSE

WASHINGTON

August 16, 1973

MEMORANDUM FOR: BILL TIMMONS  
FROM: NANCY KENNEDY  
SUBJECT: Key Vote Analysis

Including the late Congressman Bill Mills for a total of 192  
Republicans:

100% - 41 of 192 = 21.4% support  
90%+ - 83 of 192 = 43.2% support  
80%+ - 125 of 192 = 65.1% support  
70%+ - 138 of 192 = 71.4% support  
60%+ - 149 of 192 = 77.5% support  
50%+ - 160 of 192 = 83.3% support  
-50% - 32 of 192 = 16.7% support

Excluding Mills for a total of 191 Republicans:

100% - 40 of 191 = 20.9% support  
90%+ - 82 of 191 = 42.8% support  
80%+ - 124 of 191 = 64.9% support  
70%+ - 137 of 191 = 71.2% support  
60%+ - 148 of 191 = 77.5% support  
50%+ - 159 of 191 = 83.2% support  
-50% - 32 of 191 = 16.8% support

Using this table, we find that a little better than 1/5 of the House Republicans support the President on every issue.

Using our rule of thumb that Members who support the President 80% or more of the time are the "loyalists", we find the loyalists in support of the President slightly less than 2/3 of the time.

The worse supporters, those who vote with the President less than half of the time, consists of less than 1/5 of the total House Republicans.

This leaves slightly ~~more~~ <sup>less</sup> than 1/5 of the House Republicans whose votes we can never be certain of.

1st SESSION - 93rd CONGRESS - HOUSE OF REPRESENTATIVES
