FOR IMMEDIATE RELEASE

OCTOBER , 1975

Office of the White House Press Secretary

THE WHITE HOUSE

The President today declared a major disaster for the State of Maryland as a result of severe storms, heavy rains, and flooding, beginning about September 22, which caused extensive public, private, and agricultural property damage. The President's action will permit the use of Federal funds in relief and recovery efforts in designated areas of the State.

Federal assistance from the President's Disaster Relief Fund will consist primarily of temporary housing, disaster unemployment assistance payments to those who lost their jobs as a result of the storms and floods, debris removal, and the repair or restoration of damaged or destroyed streets, roads, bridges, and public facilities and utilities. Low-interest rate disaster loans will be made available by the Small Business Administration and emergency loan assistance will be made available by the Farmers Home Administration.

Federal relief activities in Maryland will be coordinated by the Federal Disaster Assistance Administration, Department

of Housing and Urban Development under the direction of
Administrator Thomas P. Dunne. ⁶³⁴⁻⁷⁸²⁰ Mr. Dunne will designate the
specific areas within the State eligible for Federal assistance,
based upon Federal and State damage assessments.

Mr. Arthur T. Doyle, Regional Director of the Federal Dis-
aster Assistance Administration, HUD Region III, will be desig-
nated as the Federal Coordinating Officer to work with the
State in providing Federal disaster assistance under the
Disaster Relief Act of 1974, Public Law 93-288.

APRIL , 1976

Office of the White House Press Secretary

THE WHITE HOUSE

The President today declared a major disaster for the State of Nebraska as a result of ice storms and high winds beginning about March 30. The storms and winds caused extensive damage to electric power utilities, and resulted in massive power outages in widespread areas of the State. The President's action will permit the use of Federal funds in relief and recovery efforts in designated areas of the State.

Federal assistance from the President's Disaster Relief Fund will consist primarily of funding for the repair of power transmission lines and restoration of downed utility poles, as well as other such assistance as may be required.

Federal relief activities in Nebraska will be coordinated by the Federal Disaster Assistance Administration, Department of Housing and Urban Development, under the direction of Administrator Thomas P. Dunne. Mr. Dunne will designate the specific areas within the State eligible for Federal assistance, based upon Federal and State damage assessments.

Mr. Francis X. Tobin, Regional Director of the Federal Disaster Assistance Administration, HUD Region VII, will be designated as the Federal Coordinating Officer to work with the State in providing Federal disaster assistance under the Disaster Relief Act of 1974, Public Law 93-288.
