TALKING POINTS:

UNIVERSITY OF MICHIGAN'S WASHINGTON INTERNS

THURSDAY, JULY 17, 1975

1. I'VE REALLY BEEN LOOKING FORWARD TO THIS GET-TOGETHER

THIS MORNING. IN A WORLD THAT IS SO OFTEN FILLED WITH CONFLICT,

CONTROVERSY AND CONFUSION -- IT'S ALWAYS A PLEASURE TO MEET WITH

50 OR 60 TOTAL STRANGERS WHO FEEL PRECISELY THE SAME WAY I DO

ABOUT OHIO STATE . . .

WELL, I HOPE WE WON'T BE STRANGERS VERY MUCH LONGER.

2. WELCOME TO THE WHITE HOUSE AND THIS BEAUTIFUL

ROSE GARDEN. I KNOW THAT THE COMPETITION FOR INTERN POSITIONS

IN THIS PROGRAM IS VERY KEEN -- AND I CONGRATULATE YOU ON THE

PERSONAL ACHIEVEMENTS WHICH BROUGHT YOU HERE TODAY.

THIS OPPORTUNITY TO SEE YOUR GOVERNMENT AT CLOSE RANGE AND PARTICIPATE IN ITS WORK WILL BE AN INVALUABLE EXPERIENCE.

I HOPE IT WILL ENCOURAGE AS MANY OF YOU AS POSSIBLE TO BECOME INVOLVED IN THE AFFAIRS OF GOVERNMENT AFTER YOU GRADUATE.

3. I AM MOST IMPRESSED BY THE FACT THAT THIS INTERN

PROGRAM WAS INITIATED AND IS RUN BY THE STUDENTS THEMSELVES.

RACHEL DEMING AND HER COLLEAGUES HAVE DONE A FINE JOB IN

COORDINATING THIS YEAR'S PROGRAM. HAVING SERVED IN THE

CONGRESS, I HAVE FIRST HAND KNOWLEDGE OF THE EXCELLENT WORK OF

MANY OF THE UNIVERSITY OF MICHIGAN SUMMER INTERNS ON CAPITOL HILL.

4. A GREAT BRITISH STATESMAN, EDMUND BURKE, ONCE SAID

"THE ONE THING NECESSARY FOR THE TRIUMPH OF EVIL IS FOR GOOD MEN

TO DO NOTHING." I HOPE YOUR EXPERIENCE WITH GOVERNMENT WILL

ENCOURAGE YOU TO BECOME INVOLVED IN THE AFFAIRS OF GOVERNMENT AFTER

YOU GRADUATE. DON'T LISTEN TO THE DOOMSAYERS WHO WARN YOU

ABOUT BECOMING INVOLVED.

5. SPEAKING PERSONALLY, I HAVE FOUND PUBLIC SERVICE

A CAREER FULL OF CHALLENGE AND FASCINATION AND REWARDS. WE NEED

THE VERY BEST PEOPLE IN GOVERNMENT IF AMERICA'S THIRD CENTURY IS TO

BE AS GREAT AS THE TWO THAT PRECEDED IT -- AND EACH OF YOU

REPRESENTS THE BEST OF YOUR GENERATION. I WISH YOU A WONDERFUL

SUMMER -- FILLED WITH FUN AND KNOWLEDGE AND FULFILLMENT.

The University of Michigan Summer Intern Program in Washington D.C. began six years ago, in 1969. Two University of Michigan undergraduates were responsible for the Programs initial concept and design. The objective of the Program is to give undergraduate students at the University an opportunity to learn about the inner-workings of government thru direct participation in the governmental process itself. Approximately, 300 students have participated in the Program over the past six summers.

We place over half of our Interns each year on Capital Hill, with Congressional Representatives from all over the country. (President Ford had a University of Michigan Intern two summers ago) We also place many of our Interns with lobbying groups, Federal agencies and in media offices (i.e. Time, NBC, Metromedia)

There are many other universities who have students working here for the summer, but the University of Michigan Program has several distinctive features. First, we are an organized program, which handles the administrative aspects for everyone on the Program, including securing the job contacts and placing students in specific offices. We also find group housing for the students here in Washington and this year we are living at Georgetown University. We also sponsor our own speaker program during the summer to add to the educational dimension of the program.

Another important part of the Program is our scholarship fund. For the past six summer we have provided over 39% of our Interns with a financial stipend to help them meet expenses in Washington. We have raised funds thru the University of Michigan Washington Area Alumni Association, private donors and the University.

It is important to point out the the University of Michigan Washington Summer Intern Program is a student-initiated and student-run Program. And just as important is the support we have received from the University and friends of the Program. The Career Planning & Placement Office continues to give us valuable administrative assistance and moral support yearly. The U of M Development Office and the U of M Administration have helped us raise money for the Program. And last but not least the U of M Washington Area Alumni Association and Congressman Esch from Ann Arbor have welcomed us each year and have helped made our summers here most enjoyable.

We are looking forward to meeting with President Ford.

Sincerely,

Rachel Deming

Dear Vern:

As you may know the University of Michigan annually assists in arranging for a number of interns to live and work in Washington for the summer months as part of their academic experience.

From your experience on the Hill I am certain that you are aware of the fact that interns are a fact of summer life and that many of these young people go on to make very substantial contributions to the life of the country.

Recently I received a request from one of the University of Michigan's students that I contact the President with a view toward arranging for him to spend a few minutes with a group of approximately 50 students from the University of Michigan who are working here in Washington this summer. I realize, of course, the demands which are made on the President's time and the potential precedence of such a meeting. It does seem, however, that the President's ties with the University could justify the University of Michigan meeting and would demonstrate his awareness of and interest in young people's involvement in government.

I would appreciate it very much if you could bring this item to the attention of the appropriate staff person and give some thought to the possibility that such a meeting might be arranged.

Sincerely yours,

Elford A. Cederberg

Note for Files:

Contacted Glenn Anderson's office shortly after noon on Monday, July 22, 1975 to invite the Congressman to a working breakfast with the P. on Wed., 7/23/75 on Turkish Aid. Left word to have the secretary call me and they told me that Edna Mae handled his appointments and she would call me back.

Called for Edna Mae on Tuesday, July 23 and left word for her to call - told the girl that answered that Edna Mae had not called me after my first call.

Nancy K. called for the AA on Tuesday, July 23 and they left her holding for 5 minutes and never came on the phone. Nancy K. called me and told me to mark him as a no and forget about it.

Vera:

Here's the list for the Weds breakfast.

On the ones with an asterik, they've been invited before.

Please divide the list up between yourself, Nancy & Neta. Ask if you can get an answer by noon tomorrow (ha)

The reason I'll need to know as soon as possible, is that there will be no substitutes, and the chef needs to know how many to order for, the usher's office to know how many tables to set up, etc.

Thanks!!!!

Washington, D.C. 20515

Dear Mr. Ichord:

My name is Reta Comer, FHA/HERO delegate to attend National Meeting representing the Missouri Association. The National Meeting of the Future Homemakers of America will be held at the Washington Hilton Hotel, Washington, D.C., July 12-18, 1975.

Since I am a Missouri Delegate to attend the National Meeting from your district, Howell County, I would greatly appreciate the opportunity to visit with you at your convenience if only for a few minutes on Wednesday, July 16, sometime between the hours of 11:30 a.m. and 3:30 p.m.

Future Homemakers of America is the Vocational Education youth organization designed for junior and senior high school boys and girls who are taking or have taken a course in home economics. This includes students enrolled in both the consumer and homemaking education classes (FHA) and home economics related occupations programs (HERO).

Since we will be in Washington D.C. on July 16, I and my fellow FHAer's would be greatly honored if we could visit if only for a few minutes with Mr. Gerald Ford, the honorable President of the United States of America.

By visiting my Nation's Capital and speaking with prominent government officials that are representing me, it would help me to learn more about my government as well as being a rewarding experience. This would be especially beneficial for me as my function in FHA is State Representative of Bylaws which deals with our state constitution.

Thank you so very much for your time and consideration of this request.

Very truly yours,

Miss Reta Comer

Dear Mr. President:

This past weekend at the Tremont, Illinois Turkey Festival I was formally presented with a bas relief carving of Lincoln, done especially for you by Andreas Hansen and Z. Christopher Mitchell. It's a very beautiful piece of work which I would like to present to you at some convenient time so that we might have appropriate pictures taken for the donors. It may be that prior to or immediately following one of our Leadership Meetings we could take a minute or two to get it done if that will save you time.

Sincerely yours,

Bob.

Dear Mr. President,

Mr. J. Gordon Small, Vice President and Bandmaster of the 5th Michigan Regiment Band, has written the President's Bicentennial March which he would like to present to you personally.

The 5th Michigan Regiment Band is an active replica of the original and frequently participates in parades, concerts, shows and pageants around our state. They are headquartered in Howell, Michigan and I am proud to have such a patriotic group in my district.

Because this band has been so creative in writing the President's Bicentennial March and because you, too, come from the great State of Michigan, I would be honored if I could present Mr. Small to you for a short picture-taking session as he gives you a copy of the March. Such a meeting could take place at your convenience and would add greatly to the Bicentennial spirit in Michigan.

I thank you for your consideration and extend my best wishes and personal regards.

Sincerely,

M. ROBERT CARR
Member of Congress
