MEMORANDUM FOR: MRS. FORD  
FROM: RED CAVANEY   
SUBJECT: THE PRESIDENT'S VISIT TO  
JACKSONVILLE, FLORIDA  
Sunday, November 2, 1975

In preparing the Proposed Schedule package for the President regarding his visit with President Sadat, the issue of you and Mrs. Sadat was raised by the Egyptian Pre-Advance Team. They offered the following:

1. Mrs. Sadat did not wish to participate in any planned activities for Sunday night, November 2, 1975. This is probably due to the fact that on Sunday Mrs. Sadat plans to spend the day at Disneyworld with her children.
2. As far as the Egyptians are concerned, they do not want you to feel bound to any social obligations in Florida with regard to Mrs. Sadat's schedule.

Additionally, Governor Askew, who will host a Florida dinner in honor of the two Presidents, has indicated his desire that such a dinner be a "stag" affair.

During his stay in Jacksonville, the President will be housed in a private residence on the Deerwood Country Club grounds. It is felt that accommodations here would also be most comfortable for you, if you choose to accompany the President.

Will you accompany the President to Jacksonville on Sunday, November 2nd?

YES \_\_\_\_\_

NO \_\_\_\_\_

If yes, do you wish us to make such known to the Egyptian Embassy and await any proposal they may set forth involving you and Mrs. Sadat, or do you wish us to forward a specific proposal from you?

APPROVE      DISAPPROVE

Advise Egyptians that I will accompany the President to Florida and await response.

\_\_\_\_\_

\_\_\_\_\_

Advise Egyptians that I will accompany the President to Florida and would be delighted to host Mrs. Sadat for \_\_\_\_\_\*.

\_\_\_\_\_

\_\_\_\_\_

\* If the dinner for the two Presidents is to be a stag affair, you may wish to host a light luncheon for Mrs. Sadat at the President's quarters on arrival in Jacksonville. This might still leave enough time for Mrs. Sadat to visit Disneyworld.

MEMORANDUM FOR: DONALD RUMSFELD  
VIA: JERRY JONES  
FROM: RED CAVANEY   
SUBJECT: THE PRESIDENT'S VISIT TO  
JACKSONVILLE, FLORIDA  
Sunday, November 2, 1975

Attached at TAB A is the Proposed Schedule for the President's visit to Jacksonville, Florida, on November 2nd, 1975.

APPROVE \_\_\_\_\_ DISAPPROVE \_\_\_\_\_

BACKGROUND

On Thursday, October 16th, 1975, the Egyptian Pre-Advance Team visited Jacksonville, Florida, to survey housing proposed by the State Department for President Sadat and his family. The Egyptian team approved the use of Epping Forest, the St. John's Riverside estate of Mr. and Mrs. Ray Mason of Charter Oil. The State Department Protocol Office, acting on guidance from Secretary Kissinger, located two small resort houses at Jacksonville Beach as proposed locations for Head-to-Head meetings, if an overnight were involved. Jacksonville Beach is approximately 30 minutes driving time from Epping Forest.

Upon return to Washington, it was learned that the President would not remain overnight in Jacksonville, rather limit the visit to one day of activity on Sunday, November 2nd, 1975. The attached Proposed Schedule is recommended and offers a centralization of activities in the Epping Forest area, rather than in the less preferred Jacksonville Beach area.

### ARRIVAL

Air Force One will land at Jacksonville Naval Air Station with the President being greeted by base personnel and their families in an informal arrival ceremony. Air Force One could be parked within walking distance of the boat dock and thus provide a unique arrival/departure situation. Immediately following the Air Force One arrival, the President would travel across the St. John's River via motor launch and dock at Epping Forest, where he would be greeted by President Sadat and begin the Working Luncheon at Epping Forest. (NOTE: President Sadat would have arrived the day prior, utilizing the same mode of travel).

### HEAD-TO-HEAD MEETINGS

The first meeting, a Working Luncheon, could be held on the patio of the Epping Forest dock boathouse. An office adjoins the patio, which would provide an air-conditioned room for after-lunch talks, if desired. Such a plan would keep the talks at a good distance from the main house and preserve the Sadat family privacy, although it is expected that Mrs. Sadat and her children will visit Disneyworld on Sunday.

The second meeting, a Head-to-Head, would be held at President Ford's residence, which would be located nearby Epping Forest.

The third meeting, a third-party hosted Dinner, could be held at a local Country Club or private residence. It should be noted that Hassan Kamel indicated on several occasions during the Pre-Advance that Mrs. Sadat preferred to rest while in Florida and not be committed to evening events. Additionally, he inferred that

she would probably visit Disneyworld with her children on Sunday -- a fact that was later confirmed.

Governor Askew has agreed to host a dinner in Jacksonville in honor of the two Presidents. While he has left a great deal of the planning to the State Department Office of Protocol, he has indicated his desire that the dinner be a "stag affair." Is a stag dinner acceptable to the President?

YES \_\_\_\_\_

NO \_\_\_\_\_

NOTE: Attached at TAB B is my memo to Mrs. Ford which indicated to her Mrs. Sadat's preference for a free evening on Sunday, however, I am sure that if Mrs. Ford were to attend the dinner, Mrs. Sadat would as well.

MRS. FORD

If Mrs. Ford were to accompany the President to Jacksonville, would the President and Mrs. Ford remain overnight or arrive back at the White House at midnight on Sunday as currently envisioned?
