NASSAU the capital of the Bahama Islands. Land of
sand, sun and sea. It is one of the world's most delightful
tourist centers. In Nassau life is filled with captivating

Thank you

December 4, 1974

Thank you Mr. President and Mrs. Ford for a great year!

'Twas a year ago we joined you on the Hill as your "ticket-distributors" for the swearing-in.

Thank you both for that privilege, though we little realized it at the time.

Thank you both for a year of fun, excitement, and challenge.

But, above all, thank you both for the privilege of knowing and serving two of the nicest people the Good Lord chose to put on this earth.
