## PRESIDENT'S MESSAGE

As a new year dawns, let us gratefully put behind us the events of the past year and turn, with renewed faith and vigor, to meet the challenges of 1975.

Let us continue to do everything we can to support President Ford as he wrestles with the problems besetting this great nation. He is doing everything in his power to find the answers which will return this nation to stability and serenity. He deserves our enduring faith and confidence.

The elections hurt Republicans due to the much feared voter apathy. Only about one-third of those entitled to vote went to the polls and thus allowed a vocal and well-organized minority to take control of the legislative processes. Before they are even sworn in as members of the 95th Congress, we have seen the new liberal majority sweep tradition aside by rule of caucus. They are determined to oust wise and responsible leaders in order to replace them with those who meet their standards of liberalism. In the years ahead there may well be a wave of "budget-busting" social legislation and a complete disregard for the defensive welfare of the United States. This could be the much feared "veto-proof" Congress which could pose a real threat to our national security and to the economic welfare of this country.

Our challenge for 1975 is clear—we must be ever watchful, keep ever alert to proposed legislation and loudly and clearly raise our voices to try to stem any excess of irresponsible legislation. This we owe to ourselves and to our country.

Please join me in a New Year prayer for the welfare of our nation and the hope that 1975 will bring happiness to all.

H I S T O R Y

A chance conversation on politics and current events between two friends in 1912 led to the organizing of the National Women's Republican Club in the Nation's Capital. Its purpose was to educate women in the history, the responsibility and duties of American citizens especially in the principles of the Republican Party.

Mrs. Virginia White Speel was elected the first President of the Club in April of that year and she served in that capacity for sixteen years.

When the Women's National Republican Club was organized there was no women's suffrage and no prospect of immediate achievement. The Club also pre-dated the Republican State Committee for the District of Columbia and the National Federation of Republican Women's Clubs.

In 1916 the National Republican Women's Club maintained a campaign headquarters and was officially recognized and lauded by the Republican National Committee for its campaign efforts.

Because of the confusion that resulted when a Women's National Republican Club was chartered in New York City in 1922, the Washington organization changed its name to the League of Republican Women of the District of Columbia and was incorporated under that name.

Members of the League of Republican Women who have served as officers of the National Federation of Republican Women are:

1939-1942	- Mrs. William H. Scott	Secretary
1949-1952	- Mrs. Joseph R. Farrington	President
1953-1956	- Mrs. Carroll D. Kearns	President
1954-1954	- Mrs. Everett McK Dirksen	3rd Vice Pres.
1957-1960	- Mrs. Richard M. Simpson	1st Vice Pres.

The League of Republican Women has been dedicated in its efforts of political service not only to the National Federation of Republican Women but also to the Republican National Committee and the Republican State Committee for the District of Columbia. In addition, it has furnished hundreds of hours of volunteer services to Republican Senatorial and Congressional candidates.
