D E D I C A T I O N

To the Founders & past members of the Womans Club of the City of Pittsburgh.

Without the history, their encouragement, bravery and faith the Club could not have risen from a dream to a reality of celebrating its 100th year Birthday.

We, the Officers and members of 1975 know that the years behind us have promised well; it is our task to see and inspire the same faith and courage to those who follow on.

UNITY IN LIFE

Let us have Unity not only in our home life, but, in our nation and in the world in general. Harmony is the essence of a happy life. May we strive to make this our goal for this year and years to come.

- Ruth E. Tomlinson

A COLLECT FOR CLUB WOMEN

Keep us, O God, from pettiness; let us be large in thought, in word, in deed.
Let us be done with fault finding and leave off self-seeking.
May we put away all pretense and meet each other face to face - without self-pity and without prejudice.
May we never be hasty in judgment and always generous.
Let us take time for all things; make us grow calm, serene, gentle.
Teach us to put into action our better impulses, straight-forward and unafraid.
Grant that we may realize it is the little things that create differences, that in the big things of life we are at one.
And may we strive to touch and to know the great common human heart of us all, O Lord God, let us forget not to be kind.
