MEMORANDUM FOR: DOUG BENNETT
THROUGH: PHIL BUCHEN *T.W.B.*
FROM: DUDLEY CHAPMAN *DC*
SUBJECT: Board of Trustees, Woodrow
Wilson International Center for
Scholars

Bill Walker raised the question of whether Pat Moynihan and Bob Bork can continue as members of the Board of Trustees of the Woodrow Wilson Center. Both were appointed under the provision of the statute for members chosen from private life, before they entered the Government. The question is whether their later entry into public office disqualified them from future participation as members of the Board. Both had continued their membership for some time before the question was raised.

I have spoken informally with Bob Bork who indicated that, while he would like to continue, he did not want to do so if it would be legally questionable.

The Department of Justice has advised that, while the question is not free from doubt, they believe the better interpretation of the statute would permit both Messrs. Moynihan and Bork to continue as trustees. I agree with this conclusion. A copy of the Justice Department Opinion is attached. Please note that this conclusion depends uniquely on the language of this statute and would not necessarily apply to other statutes calling for appointment of persons from designated categories.

Memorandum for Dudley H. Chapman
Associate Counsel to the President

Re: The status of members of the Board of Trustees of
the Woodrow Wilson International Center for Scholars.

This is in response to your oral request for our views on the status of Ambassador-designate Moynihan and Solicitor General Bork as members of the Board of Trustees of the Woodrow Wilson International Center for Scholars.

The Board consists of 15 members. Messrs. Moynihan and Bork, along with six other persons, were appointed to the Board "from private life" pursuant to 20 U.S.C. 80f(b)(8). However, since his appointment, Mr. Bork has assumed a position with the federal government as Solicitor General and currently holds that Office. Mr. Moynihan, who formerly served as Ambassador to India, is expected to return to public life as the head of our U.N. delegation.

The question is whether Messrs. Moynihan and Bork may continue to serve on the Board or whether their positions as Trustees have become vacant because they are or will no longer be private citizens. While no definitive answer is possible, we are inclined to the view that they may continue as Board members.

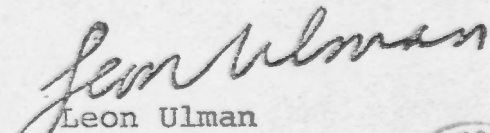

Our position is based primarily upon the language of the legislation establishing the Woodrow Wilson International Center for Scholars. The legislation refers repeatedly to trustees either "appointed" or "chosen" from private life. See 20 U.S.C. 80f(b)(8), (d), and (e). The implication is that while Congress was clearly concerned with the station from which a given trustee is appointed, it was not concerned with the problem of a trustee who after appointment joins the government.

This appraisal of Congressional intention is buttressed by at least one other provision in which Congress demonstrated that it can provide, when it wishes, that a change in the status of a person appointed to a commission or board operates to vacate his membership. With regard to the Advisory Commission on Inter-governmental Relations, Congress provided that "[w]here any member ceases to serve in the official position from which originally appointed . . . his place on the Commission shall be deemed vacant." 42 U.S.C. § 4274(d). If it had desired, Congress certainly could have included a provision in the Wilson Center legislation expressly covering a change in the status of trustees appointed from private life.

The contrary argument would be the following: since the Board of Trustees consists of 15 members eight of whom are appointed from private life, this suggests a Congressional intent to maintain on the Board a majority of nongovernmental figures. The argument is not without merit. But such a construction of the statute has no firm basis in the language of the law itself. Moreover, our research has revealed no support for that construction in the legislative history of the statute, which is generally silent on the question of a change in status. Nor is there any indication of subsequent Congressional concern with the problem. Mr. Bork became Solicitor General in June, 1973 and it is our understanding that he has served on the Board continuously since then. Mr. Moynihan was appointed to the Board in 1971 and continued to serve despite his tenure in 1973-1974 as Ambassador to India. Yet to our knowledge (assuming Congressional awareness of these facts), there has been no objection from Congress.

In short, given the language of the statute, the absence of legislative history on the point and of any subsequent objection by the Congress, we believe that it is proper to construe the statute as permitting a trustee appointed from private life to continue to serve as a trustee even though he thereafter enters government service.

MEMORANDUM FOR PHILIP BUCHEN

THROUGH: WILLIAM N. WALKER *Walker*
FROM: J. ROBINSON WEST *R*
SUBJECT: Board of Trustees, Woodrow Wilson
International Center for Scholars

A question has arisen concerning the status of two Board members (or ex-members) of the Woodrow Wilson International Center for Scholars (legislation attached).

Daniel Patrick Moynihan was appointed by the President in 1970, to serve a six year term as a private member. Mr. Moynihan was also designated Vice Chairman of the Center. Upon becoming Ambassador to India in 1973, Mr. Moynihan was considered by WH Records to be ineligible for further service as a private member and his position has been listed as vacant.

Since his return from India, Mr. Moynihan has resumed his association with the Center and continues to act as Vice Chairman.

Robert H. Bork was appointed by the President in 1972, to serve a six year term as a private member. Similarly, his appointment as Solicitor General was considered by WH Records to disqualify Mr. Bork from service as a private member. His position, too, is listed as vacant.

Mr. Bork continues to serve on the Board of the Center and participate in all of its activities.

The General Counsel of the Smithsonian Institution believes that the government's employment of Mr. Moynihan and Mr. Bork did not disqualify them for service as private members.

Could you please clarify for us whether Sec. 3, subparagraph (b)(f) of the legislation does, in fact, implicitly prevent those appointed under Sec. 3, subparagraph (b)(8) from service in the Federal government during their tenure as members.

AMENDING EXECUTIVE ORDER NO. 11868, ON THE
PRESIDENT'S COMMISSION ON OLYMPIC SPORTS

By virtue of the authority vested in me as President of the United States, Section 2 of Executive Order No. 11868 of June 19, 1975, is hereby amended to read as follows:

"Sec. 2. The Commission shall consist of a Chairman and thirteen other members, who shall be appointed by the President. THE WHITE HOUSE

EXECUTIVE ORDER

PRESIDENT'S COMMISSION ON OLYMPIC SPORTS

America has a special interest in its representation in the Olympic Games and other international athletic competitions. As we mark our Bicentennial, nothing would be more fitting to our celebrations here at home than to be represented by our finest amateur athletes on the Olympic fields.

The Federal Government has never attempted to direct amateur athletics in this country, nor should it. However, the Government does have a role in helping to promote United States competition in international sporting events.

America's best amateur athletes can represent us in the Olympics only if the Federally-chartered United States Olympic Committee and related organizations are sufficiently organized to recruit, screen, and develop the athletes on our teams. In the past, rivalries among amateur sports organizations have sometimes fragmented our international sports efforts, hindered opportunity for our athletes to develop their skills fully, and restrained voluntary financial support for our Olympic teams as well as other amateur sports teams engaged in international competitions.

Because there are conflicting views on the best methods of addressing the problems facing international amateur athletics, it is desirable and appropriate that a Commission of outstanding, knowledgeable Americans undertake an immediate study of our Nation's problems in the Olympic sports.

NOW, THEREFORE, by virtue of the authority vested in me as President of the United States, it is hereby ordered as follows:

Section 1. There is hereby established the President's Commission on Olympic Sports (hereinafter referred to as the Commission).

Sec. 2. The Commission shall consist of a Chairman and thirteen other members, who shall be appointed by the President. In addition, the Speaker of the House of Representatives and the President Pro Tempore of the Senate are requested to appoint two members of the House of Representatives and two members of the Senate, respectively, to serve as members of the Commission.

Sec. 3. (a) The Commission shall conduct a full and complete study and evaluation of the United States Olympic Committee, its activities, and its present and former membership groups on a sport-by-sport basis as they relate to the effectiveness of United States teams in international competitions in the Olympic sports.

more

(b) The Commission shall determine what factors impede or tend to impede or prevent the United States from fielding its best amateur athletes for participation in Olympic Games and other international amateur sporting events in the Olympic sports.

(c) The Commission shall study methods to assure adequate financial support for our Olympic teams and other amateur athletic teams participating in international competitions in the Olympic sports.

(d) The Commission shall study and evaluate any other related matters which have a direct bearing upon participation by amateur athletes of the United States in Olympic Games and other international amateur sporting events in the Olympic sports, including development plans to increase the level of sports participation generally in the United States.

Sec. 4. (a) The Commission shall, through the Secretary of Health, Education, and Welfare, submit two reports of its findings and recommendations to the President.

(b) The first report shall be an overview of the problems and an indepth analysis of the organization and operation of the United States Olympic Committee and other major sports groups as they relate to participation in international competition in the Olympic sports. This report shall be submitted within five months after the Commission meets for the first time. Included in this report shall be a set of recommendations for the President which deal with overall amateur sports problems.

(c) The second report shall be an analysis of the organizational and developmental problems in each Olympic sport. This shall be submitted within seven months after the first report and contain an analysis of the financial and facilities requirements of each sport and recommend ways to provide needed funds.

Sec. 5. The Chairman of the Commission is authorized to establish such Advisory Committees as he may deem appropriate to carry out the purposes of this Order.

Sec. 6. (a) The Secretary of Health, Education, and Welfare shall, to the extent permitted by law, furnish necessary staff, supplies, facilities, and other administrative services for the Commission.

(b) Expenses of the Commission shall, to the extent permitted by law, be met from funds available to the Secretary of Health, Education, and Welfare.

Sec. 7. Members of the Commission and Advisory Committees created pursuant to this Order, not otherwise employed in the Government, may receive an amount not to exceed \$100 per day from the United States for their service with the Commission, and may, to the extent permitted by law, be allowed travel expenses, including per diem in lieu of subsistence as authorized by law (5 U.S.C. 5703), for persons employed intermittently in the Government service.

more

Sec. 8. The Secretary of Health, Education, and Welfare shall perform such functions with respect to the Commission and Advisory Committees created pursuant to this Order, as may be required by the Federal Advisory Committee Act (86 Stat. 770; 5 U.S.C., App. I).

MEMORANDUM FOR THE PRESIDENT

THROUGH: DONALD RUMSFELD
FROM: DOUGLAS P. BENNETT
SUBJECT: Federal Council on Aging
(PAS-WAE)

This memorandum seeks your approval of five persons (or their alternates) who are recommended for reappointment to the Federal Council on Aging.

The Federal Council on Aging was established by P. L. 93-29 on May 3, 1973, (Legislation at Tab A). The purpose of the Council is to advise you on matters relating to the special needs of older citizens, to review Federal policies that affect the aging, and to educate the public concerning the problems of the aging. Each year the Council makes three reports to the Congress.

The Council consists of fifteen members appointed by you with the advice and consent of the Senate for three year terms. Members are representative of older citizens, national organizations with an interest in the aging, business, labor, and the general public. At least five of the members are themselves older persons (Membership list at Tab B).

On June 5, 1975, the terms of five of the original Council members expired.

Secretary Weinberger and I recommend that the following three members be reappointed to serve full three year terms:

Bertha S. Adkins (Resume at Tab C), a Republican from Maryland. Miss Adkins, 68, was Under Secretary of Health, Education and Welfare during the Eisenhower Administration. She was the Vice Chairman of the 1971 White House Conference on Aging and Executive Vice Chairman of the Advisory Committee on Older Americans. Miss Adkins has served ably as Chairman of the Council since its inception. Senators Beall and Mathias recommend that she be reappointed.

I further recommend that Miss Adkins be designated by you to continue as Chairman of the Council.

John B. Martin (Resume at Tab D), a Republican from Maryland. Mr. Martin, 65, is a former Commissioner on Aging and Special Assistant to the President on Aging, from Michigan. He also served as a member of the National Planning Advisory Committee for the 1961 White House Conference on Aging, and as the Chairman and the Vice Chairman of the Michigan Commission on Aging. Mr. Martin was supported by you for his original appointment to the Council. He is now serving as a special consultant to the American Association of Retired Persons and the National Retired Teacher Association.

Dorothy Louise Devereaux (Resume at Tab E), a Republican from Hawaii. Mrs. Devereaux, 63, is a professional volunteer with the handicapped and aged. She chaired the steering committee for Hawaii's first Conference on the Aging in 1954. From 1958 to 1972, Mrs. Devereaux served in the Hawaii House of Representatives. Senator Fong strongly supports Mrs. Devereaux for reappointment to the Council.

Approve _____

Disapprove _____

While each of the five members whose terms have expired has been an active and interested member during the past year, and each represents an important constituency, opposition has been voiced regarding the reappointment of two of these members: Monsignor Fahey and Dr. Eisdorfer. Senator Brock, in particular, has indicated his belief that the Council suffers from philosophical imbalance, and he suggests that this is a good opportunity to appoint members of more sympathetic persuasion. Senator Brock specifically feels that the Council recommends too many programs requiring massive Federal spending. The Administration cannot responsibly support such recommendations, which in turn leaves Republicans open to the charge that they are not interested in the problems of the elderly.

Secretary Weinberger recommends that Msgr. Fahey and Dr. Eisdorfer be reappointed to the Council. They both represent important constituencies with the aging. However, alternate candidates are also provided, should you wish to replace these controversial members:

Charles J. Fahey, The Reverend Monsignor (Resume at Tab F) from New York. Although unregistered, Father Fahey was supported for appointment to the original Council membership by Senators Javits and Buckley. He is Director of Catholic Charities for the Roman Catholic Diocese of Syracuse, New York. Father Fahey, 41, is a member of the Board and Vice President of the American Association of Homes for the Aging and is endorsed by nursing home administrators across the country and by Catholic, Protestant, and Jewish religious leaders.

Approve _____

Disapprove _____

Carl Eisdorfer, M.D. (Resume at Tab G), a Republican from Washington. Dr. Eisdorfer, 44, is a past President of the Gerontological Society and former Director of Duke University's Center for the Study of Aging and Human Development. He is presently Chairman of the Department and Professor of Psychiatry at the University of Washington in Seattle. Dr. Eisdorfer is a psychiatrist and psychologist whose major research interest concerns behavioral studies on aging. He is the only practicing physician on the Council.

MEMORANDUM FOR: PHIL BUCHEN

FROM: BARRY ROTH *BR*

SUBJECT: Financial Disclosure Statements
for Members of Part-Time
Committees, Boards and
Commissions

As Counsel to the President, you are responsible under 3 CFR § 100.735-31 (copy attached) for determining when the functions and responsibilities of part-time committees, boards or commissions are such that the members should submit statements of employment and financial interests to the Chairman of the Civil Service Commission. Although this provision has existed since February 29, 1968, the CSC does not believe that such a determination has ever been made. I have discussed this problem with the General Counsel's office at the CSC, and after their review of materials assembled by the Presidential Personnel Office, they recommend that:

A. Members of the following should submit statements to the Chairman of the CSC:

Mississippi River Commission
National Capital Planning Commission
National Railroad Passenger Corporation
Pennsylvania Avenue Development Corporation
President's Commission on Personnel Interchange
Board of Governors of the United States Postal Service
Low Emission Vehicle Certification Board

B. Members of the following file with the head of the agency so indicated:

Advisory Board of Commodity Credit Corporation -
Department of Agriculture
Federal Farm Credit Board - Department of Agriculture
Rural Telephone Bank - Department of Agriculture
Federal Prison Industries, Inc. - Department of Justice
General Advisory Committee of United States Arms
Control and Disarmament Agency - State Department
Advisory Board of the Saint Lawrence Seaway Development
Corporation - Department of Transportation
Board of Directors of United States Railway Association -
Department of Transportation
Board of Directors of Overseas Private Investment
Corporation - Department of State

However, Ken feels that you should instead determine that all part-time organizations should file except upon the specific determination of the CSC that this is unnecessary. This has the advantage of requiring each agency to be examined and an affirmative determination be made that filing is unnecessary, thus preventing agencies from being overlooked. For example, CSC did not recommend that members of PFIAB file statements.

Wheaton Byers has suggested that PFIAB be required to file with the CSC by the new Executive Order reorganizing PFIAB. In view of the nearness of that Order and the anticipated changes in its membership, his opinion was that only the "new Board" be required to file statements.

Once you have determined how you wish to proceed on these matters, I can prepare the necessary paperwork.

his complaint under his agency's grievance procedure.

(k) This section does not apply to special Government employees, who are subject to the provisions of § 100.735-25.

§ 100.735-25 Reporting of employment and financial interests—special Government employees.

(a) A special Government employee shall submit to the agency head a statement of employment and financial interests which reports (1) all current Federal Government employment, (2) the names of all corporations, companies, firms, State or local governmental organizations, research organizations, and educational or other institutions in or for which he is an employee, officer, member, owner, trustee, director, adviser, or consultant, with or without compensation, (3) those financial interests which the agency determines are relevant in the light of the duties he is to perform, and (4) the names of all partnerships in which he is engaged.

(b) A statement required under this section shall be submitted at the time of employment and shall be kept current throughout the term of a special Government employee's service with an agency. A supplementary statement shall be submitted at the time of any reappointment; a negative report will suffice if no changes have occurred since the submission of the last statement.

§ 100.735-26 Reviewing statements of financial interests.

(a) A designee of the agency head shall review the statements required by §§ 100.735-24 and 100.735-25 to determine whether there exists a conflict, or appearance of conflict, between the interests of the employee or special Government employee concerned and the performance of his service for the Government. If the designee determines that such a conflict or appearance of conflict exists, he shall provide the employee with an opportunity to explain the conflict or appearance of conflict. If he concludes that remedial action should be taken, he shall refer the statement to the agency head, through the Counselor for the agency designated pursuant to § 100.735-6, with his recommendation for such action. The agency head, after consideration of the employee's explanation and such investigation as he deems appropriate,

shall direct appropriate remedial action if he deems it necessary.

(b) Remedial action pursuant to paragraph (a) of this section may include, but is not limited to:

- (1) Changes in assigned duties.
- (2) Divestment by the employee of his conflicting interest.
- (3) Disqualification for a particular action.
- (4) Exemption pursuant to paragraph (b) of § 100.735-9 or paragraph (d) of § 100.735-12.
- (5) Disciplinary action.

§ 100.735-27 Supplemental regulations or instructions.

An agency head may issue supplemental and implementing regulations or instructions not inconsistent with this subpart as necessary to carry out the full purpose and intent of Executive Order 11222 and this subpart as may be required by the particular circumstances of his agency. Such regulations or instructions may include, but are not limited to, delegations of any authority allowed by law pertaining to the functions placed upon the agency head by this subpart. Such regulations or instructions must be made available to employees and special Government employees in the same manner as this subpart (see § 100.735-5).

Subpart B—Special Procedures; Counsel to the President

§ 100.735-31 Members of part-time committees, boards, and commissions.

(a) This section applies to each part-time member of a committee, board, or commission appointed by the President (referred to in this section as a Member).

(b) When the Counsel to the President determines that the functions and responsibilities of a committee, board, or commission are such that consistent with the policy and purpose of Executive Order 11222 the Members thereof should submit statements of employment and financial interests, he shall request each Member thereof to submit such a statement to the Chairman of the Civil Service Commission.

(c) A statement of employment and financial interests required under this section shall be submitted not later than 30 days after the Member's receipt of the request therefor from the Counsel to the President, and shall be kept up to date by sub-

mission of amended statements of any changes in, or additions to, the information required to be included in the original statement, on a quarterly basis. The statement shall be submitted in the format prescribed by the Chairman of the Civil Service Commission.

(d) The Chairman of the Civil Service Commission shall review each statement of employment and financial interests and any amendment thereto submitted under this section and shall report to the Counsel to the President any information contained in a statement which may indicate a conflict between the financial interests of the Member con-

cerned and the performance of his services for the Government.

§ 100.735-32 Special delegation of authority to the Counsel to the President.

The authority of the President under sections 205 and 208(b) of Title 18, United States Code, to permit certain actions by an officer or employee of the Government, including a special Government employee, for appointment to whose position the President is responsible, reserved to the President by section 505(c) of Executive Order 11222, is delegated to the Counsel to the President.

MEMORANDUM FOR THE PRESIDENT

THROUGH: RICHARD B. CHENEY
FROM: DOUGLAS P. BENNETT **DPR**
SUBJECT: Modernization of Defense Domestic
Installation Structure

Background

Preliminary consideration has been given to the appointment of a Blue Ribbon Panel to conduct a study of our entire domestic military basing requirements. Prior attempts by the Defense Department to realign installations have been narrowly focused and have usually resulted in adverse reaction. This memorandum describes possible structure of the Panel and provides a timetable for implementation.

Structure of Panel

Because of the sensitivity of potential base closures that might result from such a study, the Panel membership should be balanced and should consist of distinguished Americans who can provide independent judgment and credibility. Consideration must also be given to producing a Panel that the next Administration could support.

The Panel should be limited in size to perhaps no more than 12 members with any combination of the following background constituting the balanced structure sought.

- . Panel Chairman - former Secretary or Deputy Secretary of Defense
- . Two Government or Defense experts
- . Two Senators - one from each party
- . Two Congressmen - one from each party
- . One mayor
- . One governor
- . One business leader
- . One academician or economist
- . One labor leader or expert
- . The incumbent Director of OMB
- . The incumbent Deputy Secretary of Defense

Such a diverse grouping would provide input from Defense experts and from impacted communities. This diversity, especially with personnel familiar with local problems, may be a critical factor in producing a supportable study.

The permanent staff for the panel should be a mixture of "in-house" and "out of house" people to create a balance between new ideas and essential expertise. The key position of executive director should be filled from outside the government and approved by the Chairman. It is important that the military services be represented on the staff. The panel's report will inevitably be controversial and it is preferable that the views of all sides be argued out during the study. If members of Congress are to be included on the Panel, it would be advisable to consult with the leadership of each House on those appointments.

Timetable

The incoming Administration should be advised of this issue prior to the selection of the panel and their views solicited as to potential panel members.

Selection of panel members should be completed by January 7. Selection of the executive director should be accomplished in the week prior to the State of the Union Address.
