Dear Al,

Just a note to thank you for your letter of August 8th relative to the proposed Department of Transportation.

I was especially pleased to have your recommendation that the maritime industry not be included in the new Department. The House Republican Policy Committee will be taking up this matter shortly. A meeting of the House Republican Policy Committee to discuss the new Department was scheduled for today but has been postponed.

Warmest personal regards.

Dear Al,

Just a note to thank you for your kind comments and thoughtful suggestion of January 17th.

Betty has mentioned also my tendency to have the portion of my arm from the elbow down rest against the table with a resulting effect in appearance.

I don't think that we are being boxed in by stating that the President has information which we do not have for determining policy. Frankly, we expect to put the onus on him for the failure of our policy in Vietnam. We hope to do this by stressing the fact that he has the knowledge, he is making the decisions, and if things go wrong it is his fault.

Sincerely,

Gerald R. Ford, M.C.

850 Old Kent Bank Building  
Grand Rapids, Michigan

Dear Walt,

According to our records there remains with the Committee \$3410.78 of the funds which were to be earmarked for our use.

In line with our conversation I would like to have \$2200.00 of that amount deposited to my Fifth District Account in the Union Bank and Trust Company. Enclosed is a deposit slip and duplicate for that purpose. I would appreciate it if the duplicate were mailed to me here in Washington.

That will leave a balance in the fund of \$1210.78. I would like to have \$1000 of this credited to the account of the Kent County Republican Committee and the remainder (\$210.78) credited to the Ionia County Republican Committee.

I would appreciate it if you would properly notify the officials of the Ionia County Republican Committee of this action.

May I express to you and all those who handled the account my sincere appreciation for your assistance in this particular matter.

Warmest personal regards.

Sincerely,

Gerald R. Ford, M.C.

Dear Mr. Hall:

Thank you for sending me a copy of your April 4 letter addressed to Chairman Frank Thompson in support of H.R. 100, the Situs Picketing Bill.

As you know, this bill has been referred to the House Committee on Education and Labor. The Committee has scheduled hearings on H.R. 100 this week.

I was, therefore, pleased to have the benefit of your views and the recommendations of the Maritime Trades Department on this measure. You may be sure that I will have them well in mind should this legislation come to the Floor of the House of Representatives later on for consideration.

Kindest personal regards.

Mr. Alvin Shapiro

West Orange, New Jersey 07052

Dear Al,

I really wish I were in a position to be encouraging as far as Susan is concerned. We would like nothing better than to have her with us this summer.

But, as you can well imagine, we have been inundated with such requests and have already made arrangements to have eight or more people in the office this summer.

One or two are people outside my district who are here on a fellowship with no cost to me or the government and the others are all from my own congressional district. We have had to make this restriction in view of the large number of applications.

I know that Susan is a freshman so that she may be wanting to do something like this next summer. I am wondering if she is familiar with the student intern program sponsored by the executive branch of the government. This gives many more opportunities than are available in congressional offices.

Enclosed is a pamphlet which describes the program for this summer. I realize that the examination dates have passed and it is too late to make application for this year. If, however, she is interested in this sort of thing she may want to apply for the summer of 1969. I am sure that a similar pamphlet will be issued early in the fall, and she may want to get them from the local post office or by writing the Civil Service Commission.

I am extremely sorry that I am not in a position to accommodate Susan, but I am sure you will understand.

S. S. Al, the House Republican Committee on Planning and Research expects to make use of a number of interns this summer. If this appears to be something which would interest Susan, may I suggest that she write to Dr. Patrick Boorman, Staff Director of the Committee, at 1618 Longworth Building, House of Representatives, outlining her background and indicating her interest in working with the committee this summer. She may also want to suggest that I mentioned this approach.

As yet no final decision has been made.

Dear Phil:

Enclosed is the letter I received today from the Office of Personnel Operations on the possibility of assignment to Germany for 2nd Lt. Jeffrey Harm.

I expect the final word to reach me before long. However, we can't push it in any way, and we can't predict what action will be taken. Let's hope it will work out for Lt. Harm. As soon as I receive further word, Phil, I'll let you know.

Kindest regards.

Mr. Phil Carlip  
303 Beverly Road  
Brooklyn, New York

Dear Phil:

You recently mentioned the interest of 2nd Lt. Jeffrey Harn in either being retained at Fort Monmouth or assigned to Germany for a tour of duty.

In discussing the possibility of having his current assignment to Fort Riley changed, a spokesman for the Department of the Army indicated this would not be possible unless Lt. Harn had very strong compassionate reasons, and substantiating evidence, to keep him at Fort Monmouth. In such a case Lt. Harn himself would have been required to submit his application in writing, together with notarized statements concerning the compassionate reasons, to his Commanding Officer for evaluation and transmittal through channels to the Department of the Army.

Since you did not mention any such compassionate grounds, I assumed these were not present in Lt. Harn's case.

However, I am now asking the Director of Personnel Operations to provide me with information as to action that can be taken at this time to obtain consideration of a request for a tour of duty in Germany for Lt. Harn. As soon as this information is made available to me, I will be in touch with you again, Phil.

Warmest personal regards,

Sincerely,

Gerald R. Ford, M.C.
