Could you?? Thanks.

MEMORANDUM FOR ALL WHITE HOUSE/OEOB STAFF

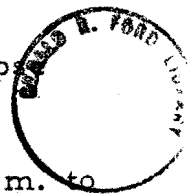

FROM: MIKE FARRELL 

SUBJECT: White House Visitors Waiting Area, Ellipse
March 16, 1976 - October 23, 1976

To better accommodate visitors during our Bicentennial, the Visitors Waiting Area will be established on the Ellipse during the above time. There will be no change in procedures for the early morning special tour. Whenever we are unable to accommodate your guests on the special tour, we hope you will encourage them to take advantage of the later public tour.

The following information should be helpful:

During the above period visitors should proceed to the Ellipse south of the White House -- not to the East Gate.

- 
- (a) Visiting hours will be Tuesday through Friday 10:00 a.m. to 1:00 p.m. (most days, schedule permitting), and on Saturday 10:00 a.m. to 2:00 p.m. The White House will be closed on Sunday and Monday.
 - (b) Ticket booths will be open at 8:00 a.m. each day, Tuesday through Saturday. Tickets may be obtained from 8:00 a.m. to 12 noon, Tuesday through Friday, and on Saturday from 8:00 a.m. to 1:00 p.m. Each member of a family or a group must obtain a ticket for the tour. Tickets are available the day of the tour only.
 - (c) Each visitor after being issued a ticket (specifying the time of the tour) may either leave the park to visit other attractions or choose to view the entertainment program (9:30 a.m. until 1:00 p.m. most days) on the Ellipse. Bleachers will be available. Visitors will be escorted from the Ellipse to the White House at the appointed time.

Thank you.

MEMORANDUM FOR ALL WHITE HOUSE/OEOB STAFF

FROM: MIKE FARRELL

SUBJECT: Ellipse Parking
March 16 through October 23, 1976

During the above period while the Visitors Waiting Area is in operation all entrances to the Ellipse except 16th and Constitution Avenue, N. W. will be barricaded for safety purposes until approximately 1:00 p.m. Tuesday through Friday and until 2:00 p.m. Saturday.

General traffic will not be permitted to enter the Ellipse to insure the safety of the many visitors who will gather in the area. White House permit holders may continue to have normal access past the barricades as long as the permit is prominently displayed in the windshield area.

Thank you.

Friday 2/20/76

5:35 Mike Farrell advises that from mid-March on, they are going to be staying open very late most days for the general public. They will stay open until 1:30, 2:00 or whenever until we get everyone in. The President wants it that way.

It will sort of complicate things for the extra special tours as they have to clean up -- mops, brooms, etc. -- after the tours -- so the schedule for availability for the special tours could slide an hour and a half maybe -- could be 2:30 or 3:00 before the House is in chape for the extra special super tours.

Just wanted to alert us so we could think about these possibilities.

(Map attached)

From March 15 through approximately May 10 construction work on the Northwest and Southeast Gates will require temporary changes in procedures:

1. Northwest Gate

- a. All appointments, including press representatives, which would normally enter via the Northwest Gate should be asked to come to the exit (north end) of West Executive Avenue during the above period. The Officers will send the appointment to the destination you request as before (West Wing Reception Room, Press Lobby, Residence or West Basement).
- b. For those appointments for whom automobile parking must be arranged on the North Drive (generally Presidential or First Family), please ask them to come to the Northeast Gate.
- c. Bus parking will not be available on the North Drive during the above period.

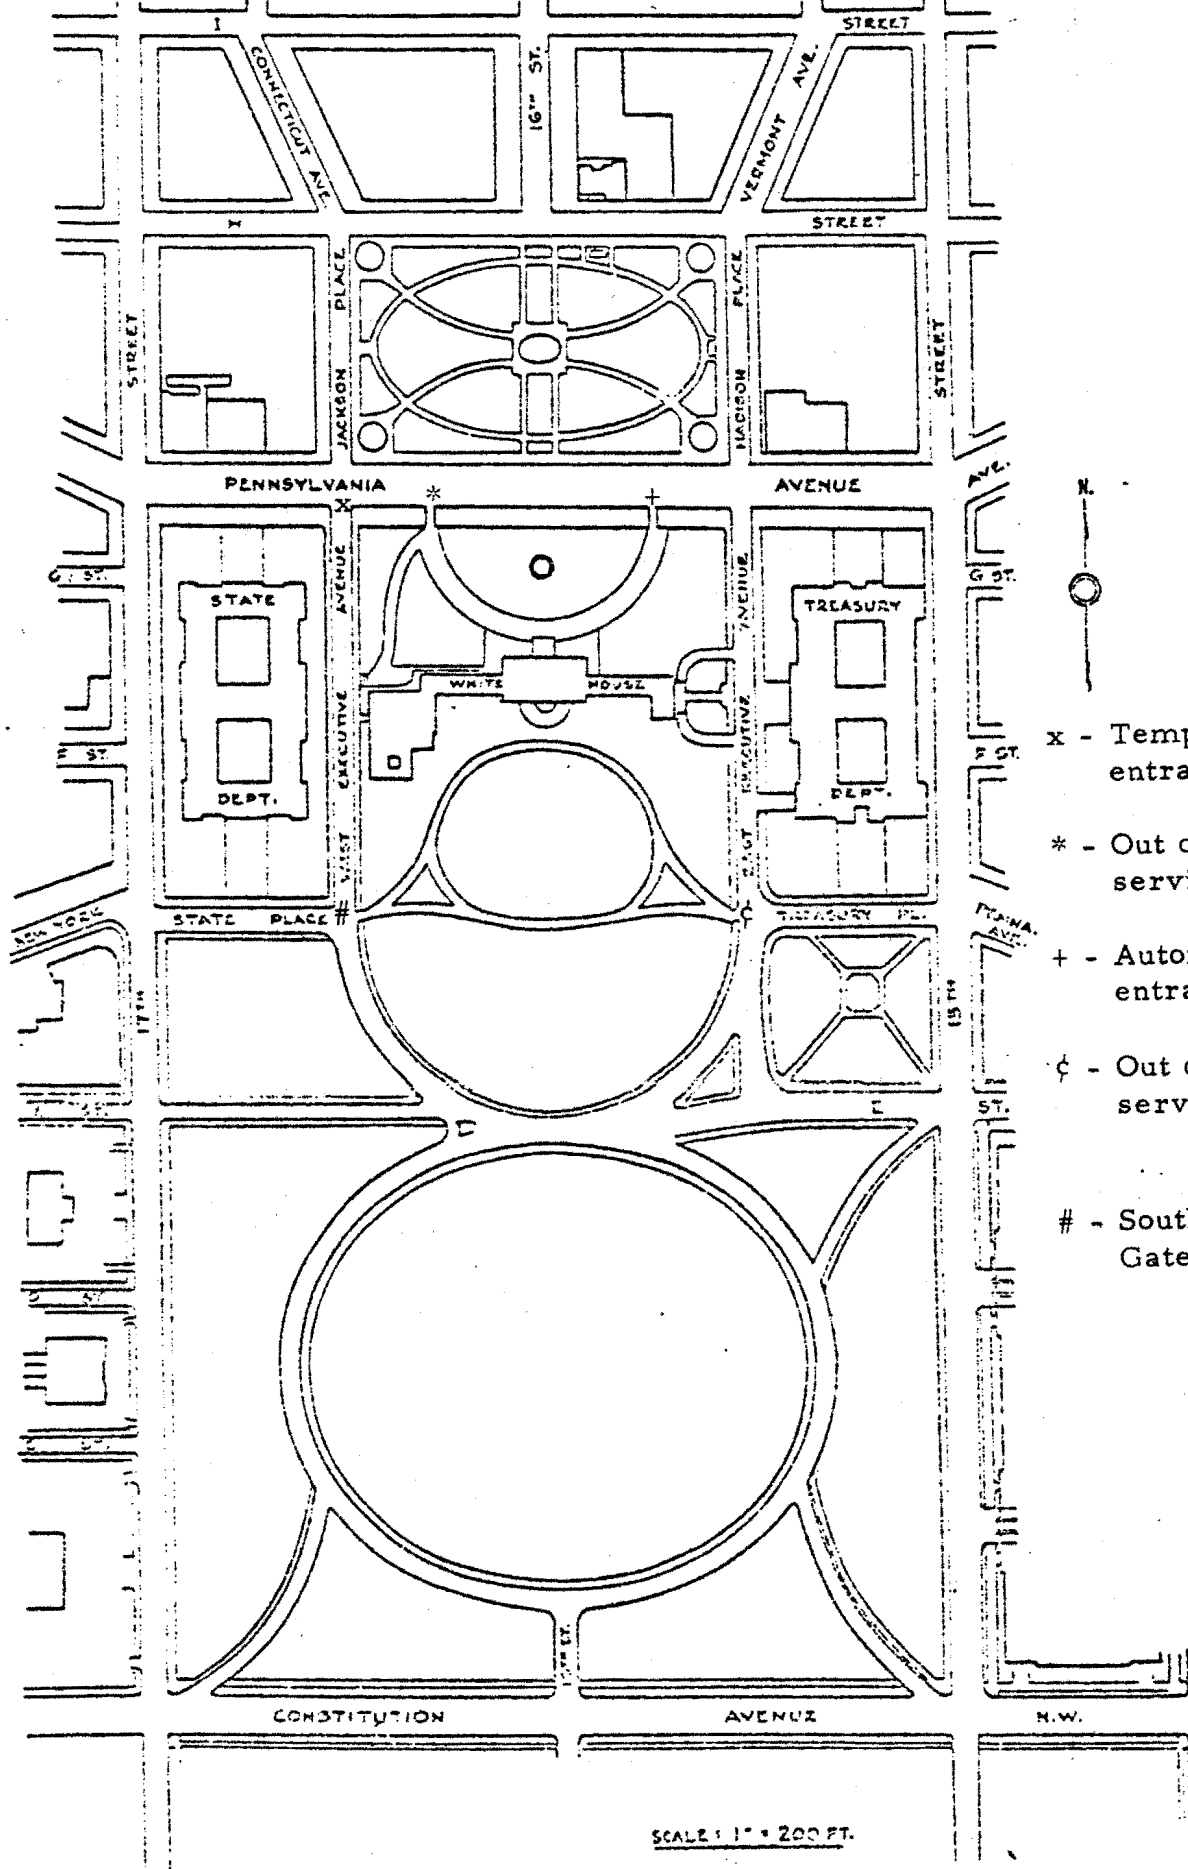

2. Southeast Gate

The Southeast Gate, which is normally used for First Family guests arriving via bus, will not be available for use as an entrance or exit during the above time. It will be necessary to use the Southwest Gate.

Dear Phil:

Many thanks for setting the White House tour for the boys from Dulwich. I know that this will be the high point of the trip and one that they will never forget.

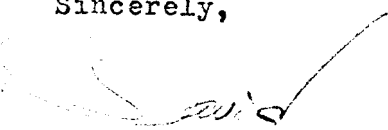

With the hope that it may be possible to employ a photographer on a Saturday afternoon for a fee somewhat less than the national [REDACTED] to cover this cost. It seems a shame not to have a record of this event.

I'll bet you a dinner at the Connaught Grill that I can get a story of the tour in at least one of the major London newspapers if you have no objection to the publicity.

Strangely enough, I may also be in the U.S. on March 20th, but will probably be in either Chicago or Minneapolis involved in business meetings. Otherwise, I would love to join the tour. I've never even been in The White House.

Warm regards, Phil, to you and Bunny from Jane and myself.

Attached is communication from the International Visitors Service Council which deals with the group of students from Dulwich College in England. They are planning to tour the White House at 3:00 p.m. on Saturday, March 20, 1976.

I appreciate your help in this matter. As it happened, I was the contact point only because I know one of the students, namely Lawrence Calahan, who is the only American in the group and who is the son of a friend of mine.

Unfortunately, I will not be here on March 20, so I will not be able to meet with the group as I had planned.

Dear Phil:

Many thanks for your letter of November 25 asking that I write to you again concerning the boys from Dulwich College who will be visiting Washington on Saturday, March 20.

Their schedule shows them arriving in New York at about 8:00 pm on March 19. They will leave New York at 8:00 am on Saturday, March 20 and arrive in Washington at about 12:00 noon. They are planning to stay in Washington on Saturday and Sunday nights and leave on Monday, March 21 for Knoxville, Tennessee and a 3-week trip that will take them to Texas and Chicago before returning to New York for the flight to London. I believe that they will be staying in private homes most of the time.

There will be about 35 boys plus 4 Masters on the trip. The purpose of the trip is to gain first-hand knowledge of the United States from an economic and geographic standpoint. The senior faculty member on the trip will be Mr. John R. Hughes, Chairman of the Geography Department.

It would be most appreciated, Phil, if you could arrange a meeting with a member of the Presidential staff or possibly even the President.

In order to expedite communications at this point, it might be best if you replied directly to Mr. Hughes, Dulwich College, London, S.E. 21, U.K., and copy me. I will be travelling a good deal in the next few weeks and I would hate to have an important letter go unanswered until I return.

I took the family back to the States for a month at Christmas. Thought we might be lucky and see you when we were in Grand Rapids. Jane and I had a most interesting lunch with Duncan. Hopefully, we might see him over here some time this year.

Thank you for your inquiry about the possibility of having a group of boys from Dulwich College in London meet with a member of the Presidential staff or if possible the President on the occasion of their visit to the White House on Saturday, March 20.

It is too early now to give you any assurance as to the time and nature of such a meeting, but I am quite confident one can be arranged. If you will write again closer to the time of the proposed visit, I will make sure that some arrangements are made which will be of interest to the group.

Dear Phil:

Next March, a group of about 30 boys from Dulwich College, London, will tour the U.S. It is a study tour for boys majoring in economics or geography. Dulwich is a secondary public school founded in 1619.

Preliminary plans have them scheduled to be in Washington on Saturday, March 20 and Sunday, March 21. They have a White House tour planned for 12:00 on Saturday and will visit the Smithsonian Institute on Sunday.

I am writing to you in hopes that it might be possible to tentatively plan a meeting with a member of the White House Presidential Staff or some other senior governmental official. Of course a meeting with the President would be the best treat of all and I am sure, the most difficult to arrange.

They arrive in New York from London on March 19 and will leave early on Saturday for Washington. They plan to leave Washington on Monday. I know that the week-end is a most difficult time to plan something like this. Perhaps they could meet with someone early Monday morning if a week-end meeting is not possible.

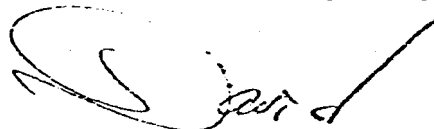

My personal interest stems from our son, Lawrence, being one of the boys on the tour. All of the boys have already been designated and he will be the only American in the group. Most of the other boys will be British though there may be boys from other countries as well.

The trip is being planned by the Institute of International Education, Inc., Houston, Texas. Their itinerary takes them on to Knoxville, Jackson, Vicksburg, Houston, Ft. Worth, Tulsa, St. Louis, Chicago, Pittsburgh and Philadelphia.

Any suggestions that you may have concerning this request will be most appreciated. We will be in Grand Rapids visiting my parents during the week of December 22nd. I will try to contact you at that time in case you have any questions concerning schedual variations.

Best personal regards,

Dear Mr Buchen, I was delighted to receive your letter this morning, confirming that you have kindly undertaken to arrange for the Dulwich College contingent to tour the White House on Saturday, 25th March at 3 pm.

The group recognises that this is indeed a unique privilege for a British School.

I enclose a copy of our itinerary, which I trust will interest you and indicate the aims and purpose of our visit. We think it is an even more demanding and ambitious programme than the one undertaken in Texas in 1973 but I am confident that it will be both a memorable and stimulating experience, which my students will remember for the rest of their lives.

We, too, look forward to meeting you personally in the very near future.

Lunch & Tour
4/7/76
1 and 2 p.m.

11:55 I had asked Mr. Dutcher's secretary to let me know what day they would like to go on the FBI tour -- FBI tours could be at 10:15, 11:15 or 2:15 on 4/6 or on the 7th. She hadn't called so I called his office in Grand Rapids. He and his secretary had already left the city. I have arranged through the FBI Tour office to have an FBI tour for them at 9:15 a.m. on Thursday 4/8 ---- if they would like.

324-3447

I called Seidman's residence and left word for them to call me. If they would like that tour, I will confirm it with Jack Eckenrode in the FBI tour office.

Wednesday 4/7/76

9:20 Mr. Dutcher called to say they will be going to Williamsburg tomorrow; had seen the FBI 10 years ago so will not plan to see it on this trip.

Wednesday 3/31/76

Lunch & Tour

3:10 David Dutcher was delighted to accept your invitation to lunch on Wednesday 4/7 at 1 o'clock and the W.H. Tour afterward. (I checked with Mrs. Buchen; she will join you for lunch and go with them for part of the tour -- but has an International Neighbors Club group meeting at 2:45 -- so will have to leave early.)

They also wanted an FBI tour and I have contacted the FBI tours 324-3447 FBI for times, etc. Now waiting for Mr. Dutcher's office to call me back about their preference. (Kay will call)

Wednesday 4/7/76

Mr. Dutcher called to say that since going to Williamsburg tomorrow, and seen the FBI's records, he will not plan to see it on this trip.

Tuesday 3/30/76

4/7/76
2 p.m.

7:10 Shirley had talked with David Dutcher (see attached). (616) 459-1171

I called Mike Farrell and scheduled a White House Tour for them on Wednesday 4/7. I scheduled it for 2 p.m. -- with the thought that perhaps you would like to take the group to lunch in the Mess; Mike could pick them up there at 2 o'clock for the tour.

I have not called Mr. Dutcher yet; would you prefer to call -- or shall I?

March 26, 1976

Eva,

Mr. David Dutcher called indicating that Mr. B had mentioned to him that one of us could possibly get him tour tickets for either Tuesday or one day of the week of April 5. I suggested Tuesday because the President will be out-of-town and it might be a good time to see the West Wing also.

Also, if possible, he would like a FBI tour.

He will be accompanied by:

Mrs. Mary Dutcher (wife)
Steve Dutcher (son)
Douglas (son)
Susan (daughter)

They will be staying with the Seidmans.

I told him we would check and get back with him.

4:00 Gail had gone for the day.

Monday 3/22/76

10:00 Called Gail to tell her that you don't see any advantage for the President in this, but to suggest routine arrangements should be offered. Told her that Mike suggests she send him some detailed information to help make an evaluation and they could possibly work something out for the group or a part of them.

She asked if we would check and see if you would be available to meet with the group on October 7th or 8th.

OK.
R.

Thursday 3/18/75

11:30 I called the tour office to inquire what the procedures might be for a large group tour of the White House tours (apparently the group would be 300 people -- 150 partners and their wives).

The girl who handles group tours was supposed to call me back, but instead Mike Farrell called. Because of the bicentennial, they are having to tell all Members of Congress and everybody else that they cannot set up long-range group tours because of the bicentennial visitors who they expect to be deluging them... unless they are elderly or handicapped. Where possible they will work in other groups.

If the evaluation is made that a certain group is really important to the President, they will take care of it.

(The figure of 150 people, which I originally gave Mr. Farrell, would be 15% of the number of people they can accommodate on the morning tour.)

He said if you feel this is something important for the President, of course, they will try to work something out ----- however, he checked their records and had no record of a request from Hartmann or his office; thought it was probably verbal and requested on a general basis for a very large group.

I checked with Gail Raimon -- just generally to ask if she had checked with Farrell's office or what they told her. She had called the tour office and asked about setting up a tour for 150 men and wives and they told her they aren't setting up any VIP tours except for handicapped or elderly. She said they also wanted someone at the White House to speak to them -- hopefully the President. She said she guessed they could go to the ellipse area -- and would have to go in at 5-minute intervals.

Eva: Discuss with Gail. I see no advantage for the President in this, but suggest routine arrangements should be offered.

February 28, 1976

The Honorable Robert T. Hartmann
Counsellor to the President
The White House
Washington, D. C.

Dear Bob:

I have spoken preliminarily with Gail Raiman regarding the annual meeting of our Firm which will be held this year in Washington beginning with meetings of various committees on October 2, 1976 and ending Sunday October 10, 1976. In order that you may have a better understanding of the firm and the activities we have under consideration, I advised Miss Raiman that I would provide you with some brief background information.

Baker & McKenzie is, today, unique as law firms go in that we represent a multi-national clientele and are, ourselves, of multi-national backgrounds. Over the past fifty years, the firm has grown from one office in Chicago and three attorneys to 24 offices; four in the United States and the remaining 20 in major cities abroad. With more than 350 attorneys, we have the capability to service American clients investing and operating in foreign markets as well as major foreign companies with interests in the United States. While the great majority of our clients are corporations, most of which are publicly-held having need of our services in connection with international transactions, there are, of course, a number of legal problems that both originate and are handled locally.

So that you will have some idea of our size and structure, I am enclosing a copy of a listing showing the offices we maintain throughout the world and the personnel associated with each location.

The Honorable Robert T. Hartmann
February 28, 1976
Page Two

Once each year, we hold a general meeting of the partners of the Firm. At present, there are approximately 150 partners. For the first time in the history of the Firm, the annual meeting will be held this year in Washington, D.C. Because this is our country's bi-centennial year and because of the unique features and attractions that are found only in Washington, we are making plans to see that the partners and wives who will visit Washington, many for the first time, have an opportunity to see first hand what makes Washington the premier capital city of the world.

In this connection, a visit to Washington will obviously be incomplete without the opportunity to tour the White House. Knowing as we do the limitations upon tours that are arranged through Congressional offices, I have indicated to Miss Raiman that hopefully it may be possible for a single tour to be arranged at which time all persons then in attendance will have an opportunity to visit the Executive Mansion. On a tentative basis, I have suggested the possibility of Thursday or Friday, October 7th or 8th. We will be headquartered at the L'Enfant Plaza Hotel and will move to various scheduled events by chartered buses. Because of the significance of the White House tour to all other events, we will plan our schedule to any that you may be able to arrange to insure maximum flexibility and the minimum in inconvenience.

Throughout the week, there will be a number of events affording members of the firm and their wives an opportunity to see Washington on a first-hand basis. Bob McClory of Illinois, whose daughter is married to Donald Etienne, our resident partner in Geneva, will be helping to make the planned tour of the Capitol a more meaningful event. Due to our presence in several of the member countries of the Organization of American States, Ambassador Orfila has kindly agreed to permit us to use the Pan American Union for the annual dinner dance to be held on Saturday, October 9th. We hope to be in position to have members of the Executive and Judicial branches of the government address the firm on matters of current interest.

In the past, in selected instances we have been most fortunate to have an opportunity to meet with a person in the host country having a stature unique to the event and time. Although I was still an aspiring associate left behind to watch the show, at the 1968 meeting in Rome the audience with Pope Paul for members of the firm was unquestionably the highlight of the meeting. In connection with our meeting, and particularly

The Honorable Robert T. Hartmann
February 28, 1976

our tour of the White House, I would personally appreciate your assistance and consideration in determining whether it may be possible for us to hear very briefly from President Ford. I know that October will find him in the last month of what promises to be an intense Presidential campaign; however, I would presume that time is reserved on occasion for contacts such as I have suggested. Since the President is, himself, a lawyer and since he has continuous exposure to the problems on a transnational scale, his thoughts or comments on the role that law plays on a multi-national basis for the benefit of peoples of diverse ethnic and geographic backgrounds would be germane and unusually meaningful. It would be of unquestioned significance to us, both individually and as a firm.

I will be in Florida next week, but back in the office on Monday, March 8, 1976, and hope that you may have an opportunity within the next week or so to discuss these two proposals with me.

With best regards.

Sincerely,

William D. Outman, II
