Monday 10/13/75

9:45 Mr. Hills said you wanted him to look this over.
He said Capt. Kollmorgen wants to go ahead with it.

Mr. Hills sees no problem with it -- but feels he
isn't thoroughly on top of it to give a proper assessment.

Would you want Ken to look it over?

Thursday 10/23/75

10:00 I talked to Tom Whitehead last night about the attached memo from Captain Kollmorgen.

Tom said it's O.K.

What I had in mind was OTP's part in emergency communications, and he said that is spelled out in a different document which has been worked out between them.

Do you want someone on the staff to check it out?
