Dear Jim:

Thoroughly enjoyed our get-together last Thursday.
It's been much too long between chats.

On the photo with Marshall Mays, the head of OPIC
and the President for our 1976 Annual Report, I'd
also like to add OPIC's chairman Daniel Parker, who
as you know is also the Administrator of AID. As to
the timing, I'd like to shoot for the week of June 21.
And as discussed, I'd like to be on hand to help stage
the shot and get one of the President and myself if
possible. The Annual Report gets wide distribution here
and abroad, and is also printed in Spanish and French.

Let me know when you've heard something on the other
points we discussed.

As soon as I get Neal's graduation behind me, which will
be next Friday, at which point, the Sedlars' house will
return to some semblance of normalcy; how about you and
Cherie coming out of a Sunday for some brunch and tennis.

Many thanks for everything.

Sincerely,

Tom
