TO: PHIL BUCHEN
FROM: JOHN O. MARSH, JR.

I believe you are aware of the information relayed by Dick Burress wherein he advised that Peter Flanigan has raised a question about Rockefeller holdings in Eastern Air Lines and the relationship between Eastern in a merger with Caribbean Air Lines, particularly the role CAB played.

Burress had another call from Peter Flanigan indicating he had drafted a memo to President Nixon in reference to this subject, which memo is with the Nixon documents. Flanigan has indicated that the memo should be located and studied and I assume he wishes to examine it himself.

This is something that I wish to give some thought to and perhaps we should talk about it personally.
