After President Ford's visit, literally hundreds of clippings from newspapers and news magazines came to our attention.

Because of your loyalty to and continuing interest in the University, I thought you might enjoy seeing this sampling of a few of the many stories that appeared around the nation.

Dear Red:

Enclosed are copies of two publications we are distributing related to President Ford's Commencement visit in August. You might share these with Robin, Eric, or anyone else you think would be interested.

The clipsheet is going to a very limited group of persons we know might have an interest in this kind of material.

|| The booklet, however, is being distributed rather extensively to civic, corporate, and governmental leaders, as well as prominent alumni and benefactors -- a group of about 4,000.

Best wishes.

Cordially,

A handwritten signature in dark ink, appearing to be "R. Esmond".
