THE WHITE HOUSE  
WASHINGTON

Dear Mr. President:

A brief word about the just completed meeting.

You impressed the group immensely with your grasp of the issues and your directness. Even the most "Democratic" members of the group came away with a strengthened sense of trust in your leadership on this most difficult and emotion-filled group of issues. As you know, nothing is more important to this community of leaders than trust.

I will brief the leadership on your energy program when it is set, and I am confident that they will rally strongly in support of your program.

My best wishes for the Christmas Season and New Year to you and Betty.

Sincerely,

*MAX*
