WASHINGTON

Mr. Hartmann:

Joan in Congressman John Anderson's office called and said the Congressman would like to talk with you re. a speaking engagement by the President for August 25 with the American Hardware Association. (225-5676)

Neta

June 10, 1975 - 9:30 a.m.

Called and spoke with Mary in Scheduling Office (7070). She said before they received the request of Congressman Anderson from Mr. Hartmann, they had already turned down the invitation to the American Hardware Association.

The request was reviewed by Messrs Rustand and Nicholson and they decided it should be turned down because it was in Chicago and the President is tentatively scheduled to be in the Midwest a month earlier - on July 11 & 12 for a College Commencement, a dinner afterwards in Chicago; then he would go to Michigan where he would play in a golf tournament. It is my understanding that the July 11 date has not been definitely firmed up as yet. But this was the main reason for the decision to decline the invitation of August 25 from the American Hardware Association.
