PURPOSE: Express appreciation for the assistance and strong support in the effort to get favorable action by the Joint Committee on Atomic Energy for your June 26, 1975 "Nuclear Fuel Assurance Act" (Uranium Enrichment).

BACKGROUND: John Anderson has been our strongest supporter since June 26. He has worked to persuade others (e.g., Howard Baker and Frank Horton); made several public statements of support, and worked closely with your staff in developing a strategy and presentations.

TOPICS OF DISCUSSION:

1. Thanks for the consistent and strong support and for advising your staff on strategy and presentation.
2. Understand that Chairman Pastore is expected to accept the provisions for Congressional Review (60 day period; Concurrent Resolution of approval or disapproval worked out between JCAE and ERDA staff.
3. Understand that Senator Pastore will not move the bill until Secretary Kissenger appears, but that he hopes to move the bill shortly thereafter. I hope we can regain momentum in January.
4. Assuming the bill is reported out soon, hope that he will continue to advise us (a) as the authorization bill is considered on the Floor, (b) as the necessary appropriations bill is considered, and (c) finally, when individual contracts are submitted for approval.
