MEMORANDUM FOR THE PRESIDENT

FROM:

PHIL BUCHEN *P.*

SUBJECT:

Public Access to Your Congressional
Papers at the University of Michigan

Bob Warner at the University of Michigan has advised that they have now completed the organization of your Congressional papers. You have closed these papers to the public until 1980, or until such earlier time when you have provided general guidelines for making the papers available to the public. You have already made the scrapbooks available to the general public.

Saul Friedman of Knight Newspapers has renewed his request for access to these papers. You had previously approved his request in connection with a biography he intended to write, but the papers had not yet been organized and thus were not available.

I recommend that you authorize me to approve, on a case by case basis, requests from the library for access by researchers to the Congressional papers that have now been organized.
