III Significance of Declaration + Constitution + Revolution
Theme throughout is "LIBERTY" - Patrick Henry.

A) Battle for "freedom" + not security.
Patrick Henry - "Give me liberty or give me death"
Benefits from being a part of British
not sufficient to outweigh advantages
of independence + freedom.

B) Trying days - Valley Forge
Tom Paine's "Crisis"
(Dec. 1776)

IV Situation today on 173 Anniversary.

We have a Constitution created in an atmosphere
of freedom + written to preserve freedom. a
system of checks + balances for that purpose.

Now, that same historic document
being used for furtherance of security
rather than as a guarantor of freedom.

I am not opposed to providing security,
I simply differ with the method by which
security is being obtained at the sacrifice
of individual freedom.

Why do we use a different method now?

a) Political indifference - 50% of voters

b) Civic indifference -

Liberty was gained by revolution, it can be lost the
same way, but it can also be lost by the slow process of
attrition & this is more dangerous. It is deadly since it
is deceptive. Indifference is the breeding ground. It is an
insidious & subtle enemy.

What can be done

a) Toynbee - challenges & responses
in the past

"Study of History" - western
civilization must continue to
climb & advance. Once it comes
to rest or falls back, it is doomed.

Conclusion - Napoleon drummer boy story.

By a rebirth of spirit, by new inspiration, we can
get liberty, freedom & opportunity rather than security through
statism
