PERSONAL

+ Memorandum

PNEUMO DYNAMICS CORPORATION

CLEVELAND, OHIO 44105

As times become more complex and each day seems busier than the last, just about everyone could use more help. And that's just what your new Personal Memorandum is designed to do — help. It can help you by providing space to record appointments, special days you don't want to forget and all the reminders that are needed in the

course of a year. Your Personal Memorandum is designed to help you with information you may need — holiday dates, zip codes, time zones and calendars for last year and next year.

This calendar was designed with you in mind. It is hoped you will find it as useful as it is intended to be and that it will also remind you of our good wishes for a happy year ahead.
