MEMORANDUM FOR THE PRESIDENT
 FROM: JIM CANNON
 SUBJECT: Enrolled Bill S. 1842 - Relief of Doctor Arturo Bomolan Dela Rosa

Postal
6/9/75

J. Archib
6/10/75

Attached for your consideration is S. 1842, sponsored by Senator Stennis, which would permit Doctor Arturo Bomolan Dela Rosa of the Philippine Islands to become a permanent resident of the United States. This would qualify Doctor Rosa to take the Board of Medical Examinations to practice in a county of Mississippi in which he is urgently needed.

OMB recommends approval (Tab A) and indicates that because the medical examinations which Doctor Rosa must take will be given on June 10 and will not be given again for six months, it is important that S. 1842 be signed no later than June 9 if it is to serve the urgent purpose for which it was enacted.

Max Friedersdorf recommends approval of the enrolled bill and has advised that Congressman Montgomery has contacted him urging your approval. Phil Buchen (Lazarus) and I also recommend approval.

RECOMMENDATION

That you sign S. 1842 at Tab B.

Discussion

S. 1842 was introduced and passed by unanimous consent in the Senate on June 2, 1975; House enactment was on June 5. The bill would permit a Doctor Arturo Bomolan Dela Rosa from the Philippine Islands to be considered to be a lawful permanent resident of the United States. This would qualify him to take the Board of Medical Examinations.

It is anticipated that he will locate his practice in a county in Mississippi that now has only one doctor and needs another. The Kemper County Mississippi Hospital has two doctors, one of whom is leaving for military service and the other of whom threatens to leave if unassisted.

Because the medical examinations which Doctor Rosa must take will be given on June 10 and will not be given again for six months, it is important that S. 1842 be signed no later than June 9 if it is to serve the urgent purpose for which it was enacted.

Mr. John O. Marsh, Jr.
Counsellor to the President
The White House
Washington, D.C. 20500

Dear Jack:

This letter is to bring to your special attention a private bill, S. 1842, which I introduced, and which was passed this week on an especially expedited basis by both the Senate and the House.

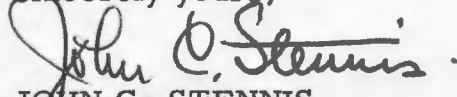

The purpose of the bill is to give Doctor Arturo Bomolan Dela Rosa permanent status as a resident of the United States, so that he can file a declaration of intent to become a citizen, and thereby become eligible to take the examination to practice medicine in Mississippi. This examination is to be given on June 10, and will not be given again for six months.

Doctor Dela Rosa is to become a staff doctor at the Kemper County Hospital, in my home county. Without his services the hospital will not have a single doctor within a short time. Consequently this is a matter of great importance and urgency to me.

Please bring this bill to the attention of the President as soon as you can do so, and convey respectfully to him my earnest request that it receive his signature as soon as possible.

I will greatly appreciate your assistance in this matter.

Sincerely yours,

JOHN C. STENNIS
United States Senator

MEMORANDUM OF INFORMATION FROM IMMIGRATION AND NATURALIZATION
SERVICE FILES RE S. 1842

The beneficiary, Dr. Arturo Bomolan Dela Rosa, a native and citizen of the Philippines, was born June 4, 1934. The beneficiary is a medical doctor and resides in Meridian, Mississippi with his wife, Nora, and four children, all of whom are natives and citizens of the Philippines.

Dr. Dela Rosa was admitted to the United States as a nonimmigrant visitor for pleasure on April 19, 1971. He is the beneficiary of an approved third preference visa petition based on his professional qualifications which established a priority date of June 22, 1971 in the issuance of an immigrant visa. However, such visa numbers are currently available to natives of the Philippines with priority dates earlier than February 1, 1970. In accordance with Service policy, based on the approved visa petition, Dr. Dela Rosa and his family were granted indefinite voluntary departure from the United States.

According to the author's office, the purpose of the bill (S. 1842) is to grant the beneficiary permanent residence which will permit him to take the examination for licensure as a physician in the State of Mississippi. Dr. Dela Rosa has agreed to practice medicine in a rural community in Mississippi where doctors are not available.
