Dear Mr. President:

A letter from Mrs. Nixon states that you will not be able to be with us at our annual Citizenship Day and Constitution Week program to be held at the Prudential Building, Monday, September 17, at seven thirty o'clock. We are sorry as we enjoyed having you with us in 1970 and Mrs. Nixon as your representative last September seventeenth. As you know, we follow your Proclamation each year and pay tribute to the new citizens of the year and to the Constitution on Constitution Day.

I would like to suggest that you send Mrs. Jewel Lafontant of your Office of the Solicitor General of the United States to bring your message. Mrs. Lafontant is, as you know, a Chicagoan, a member of the Advisory Board of the Citizenship Council of Metropolitan Chicago, and our good friend. We would be pleased to have Mrs. Lafontant give the main address.

May we ask, Mr. President, that we have a copy of your Proclamation as soon as it is issued. I mention that in my invitation to the new citizens of the past year, approximately eight thousand, and to our many civic lead friends who assist us. Thank you.

You have our best wishes for continued success.

Sincerely yours,

Helen Graham Lynch

MRS. PERCY V. KEYCHAM, NATIONAL CHAIRMAN

LONG ISLAND, NEW YORK 11901

July 12, 1973

President Richard M. Nixon

The White House

Washington, D.C. 20500

Dear Mr. President,

This is in reference to the 1973 Proclamation for "Citizenship Day and Constitution Week" which is proclaimed, each year, by our President.

The 1972 Proclamation was issued August 5, 1972. I am in hopes that the 1973 Proclamation maybe issued, as early, or a bit prior, if at all possible.

Many Chapters, of the Daughters of the American Revolution, start the organization, for this week of celebration, early in the current year. Based on the President's Proclamation, the Governors, City, Town and Village Officials are invited to make similar Proclamations, to be issued long before September 17-23, as they are acclaimed by our news media, of radio, television and newspaper articles, well before and all during that week. To carry out the timing, of our program, it is needful that your Proclamation, for 1973, be issued as early as it may be arranged. We are most grateful for this consideration.

President Nixon, you were most thoughtful and kind, last year, in sending me a duplicate, of your Proclamation, for 1972. It was proudly displayed at many meetings and the New York State Conference, by me, and following that, at the request of our President General, Mrs. Donald Spicer, it was given to her, to carry with her for display, at the many State Conferences which she attended, in 1972-1973. I am hoping that we may be so honored again.

Thank you again, Mr. President, for consideration which may be given.

Yours respectfully,

National Chairman - NSDAR

Dear Bruce:

Apologies for the tardiness of this letter and its enclosed addresses for the Presidential Proclamation on Citizenship Day.

There are 45 names listed to whom we believe the proclamations can be sent. Please note that The National Conference would itself like three of these sent directly to our headquarters at Decatur House.

For your interest I've enclosed a copy of our program brochure which explains our upcoming 28th Annual Convention. As you see, it looks to be an especially compelling affair.

I wonder how your summer was, and trust that, at least, it had its lively moments.

Yours sincerely,

Saul Benjamin
