ANNOUNCEMENTS:

Duster declaration for the State of Colorado due to recent flooding.

POSTINGS:

SCHEDULE ITEMS:

As you know, the President is meeting with his staff from time to time during the day. With time set aside for paperwork. RN was asked about a meeting today with Secretary Usery to which he responded that to his knowledge, that meeting has been put off. Among other things today, the President will be working on his acceptance speech for the Convention.

DELS TO MEET WITH THE PRESIDENT:

There is a possibility of some delegates coming to see the President. It is not known now when or whom.

LETTERS TO DELEGATES:

Copies of the letters sent to the approximately 4500 delegates on Saturday are available in the Press Office. Letters from delegates concerning their Vice Presidential preference will go to Dick Cheney. This polling will not be for publication as the President has insured the delegates of the confidentiality of his request. The deadline for receipt of the delegate letters is August 11. There was much discussion of the release of the polls, etc., etc. The answer is the same as mentioned above.

TRAVEL:

The Eucharistic Conference in Philadelphia: the President will speak briefly at the Stadium at the concluding liturgy of the conference. His remarks will last about 5 minutes.

ARMS SALES:

There was much discussion of arms sales to Iran. RN referred the congregation to the Foreign Assistance bill which was signed about a month or so ago, actually July 14. This bill established a legislative procedure for overseas arms sales. Arms sales to Iran are not different from arms sales to any other country.

KC: & SWINE FLU:

Still don't know when the Pres will go to KC. HEW is continuing to negotiate with the parties involved and Sec. Mathews is optimistic that an agreement can be reached shortly.

PRESS CONFERENCE:

No plans for one this week.

NOTE: There has been a renaissance of the great helicopter War! Get out your flack jackets!

ADDITIONS TO THE SCHEDULE:

The President met with Secretary Mathews for about 30 minutes this morning at the President's request to discuss the illness in Philadelphia. Routine report to tell the President what process is to be followed. Nothing new was discussed that has not been made public. Sec. Mathews did bring the President up to date on outlook of legislation to clear up liability problems re swine flu vaccine. (The House Health Subcommittee last evening reported out a bill that would resolve the liability problem. Trying to get action on measure before recess of Congress) Sec. Mathews is keeping manufacturers and insurance companies informed. The earliest determination on cause of illness in Philadelphia will be no earlier than tomorrow afternoon.

The President met with Senator Clifford Case at the Senator's request to discuss the N. J. delegation to the Convention. Meeting lasted 5 to 10 minutes.

SCRANTON MEETING:

Purpose of meeting was to discuss UN business and Scranton's recent trip to Europe. No politics involved.

LUNCH LID UNTIL 3 P.M.

ANNOUNCEMENTS:

Robert A. Collier to be Vice Chairman of the President's Committee on Employment of the Handicapped.

Appointment of nine persons to be members of the National Highway Safety Advisory Committee.

TRAVEL:

The President will go to CD Friday, but we do not have a departure time as yet from the WH. Pool questions should go to Larry. Transportation will be worked out by us. The P will chopper from CD to Phila and return via AF1, there will be the usual press plane. See attached. We don't have any word on an advance as yet, and when asked whether or not the mystery disease will have anything to do with keeping the P out of Phila, RN said that if the CDC comes up with something that would make it inadvisable to go to Phila or if precautions should be made, we will make the necessary arrangements. Also if we do get info from the CDC concerning the disease and its possible effect on the P's trip to Phila, RN will inform the press.

DELEGATES:

We don't have any plans for delegates to come in today or for the rest of the week. Also, concerning John Connolly, we don't have anything on him meeting with the Pres., he is here attending a PFIAB meeting, and will possibly be here tomorrow. OFF THE RECORD: RN said that the Pres did not know that JC was here until RN informed him today.

LEADERSHIP MTG:

RN indicated that among topics discussed were the clean air amendments; the post card voter registration proposals; and brief mention of the swine flu bill. On the voter registration, the Pres opposes it for at least 2 reasons: 1) He feels that the bill would lend itself to possibilities for fraud; 2) He does feel that this is something Congress would be injecting itself into that is traditionally handled by the states.

SALT TREATY:

Have the Soviets violated the underground treaty? In answer, RN said 1) the treaty has not been ratified as yet; 2) the technicians are still going over measurements to determine exactly how much the explosions were. Both the US and the USSR have made unilateral statements regarding the 150 kilotonnage limit. Since we don't know the size of the 2 USSR we can't say that the Soviet blasts are incompatible with the treaty. RN went on to say that if Congress would ratify the treaty, then all provisions would apply including the 150 kilo ton limit. The President was briefed on the 2 tests.

PFC/VA DELEGATES:

When asked by a VA del when he would announce his running mate, RN said that the Pres indicated that the President will announce his running mate in the traditional manner. When asked if Rog Morton would be leaving the PFC, RN said that he expects him to stay, and that there are no plans for Rog to leave.

VEEP SELECTION:

The Pres believes that "he has established a sound procedure" to get views on his running mate. He thinks that's the "proper" way to proceed. Furthermore, there is a new group that has been sent a letter requesting views on a Veep choice, letters have been sent out to 350 Republican mayors and other officials. The Pres feels that this is a worthwhile method to get wide ranging opinions on his veep choice. In addition, the Pres will welcome anyone's ideas on his choice of a running mate.

Olympians:

Rumor has it that the Javelin catch goldmedalist is unable to attend the East Garden Soiree because of an undetermined stomach ailment.....You heard it first here, earwigs

JANICE WHO?:

That's the question we're asking today earwigs. Who is that Junoesque vision of Italian sensuality, that Lorenlike WH secretary who is now the Rev. Lester's darling? W my dears, tension once again mounted at the WH today when vague rumblings were heard about this shadowy lady involvements in certain dubious incidents. Propriety however limits my commentary, but not to worry dearies, keep tuned in to this spot in the briefing notes and I'll keep you posted.....Ta, Ta

Kissinger will meet with Prime Minister Vorster in Zurich this week. Second portion of meeting dealt with the parks program expansion and was presented by Secretary Kleppe. Program will provide \$150 million over a 10-year period. Ron said the President during his travels around the country this year decided he would like to have an expansion of parks program as a bicentennial project. This was not something we pulled out of a hat last week. First meeting on this subject was July 8 of this year. The new Block Grant Program is for cities to use for the acquisition and improvement of parks in city areas. (Ron said he would try to get Sec. Kleppe to brief on the parks program since there were so many questions.) This legislation is to be sent to the Hill tomorrow. The third part of the meeting was a run-down by Marsh and Friedersdorf on legislation remaining before Congress. Alan Greenspan gave an update on the economy.
