NOTICE TO THE PRESS

HOSPITAL BULLETIN #13 - 11:00 AM

Dr. William Fouty, National Naval Medical Center at Bethesda reports that Mrs. Ford had an excellent evening and is spending another active day in the suite. Dr. Fouty says that all of the sutures from the surgery have been removed, and Mrs. Ford has excellent use of her right arm. Her post-operative course remains excellent. Dr. Fouty anticipates that Mrs. Ford will be released from the hospital on Friday, October 11.
