Dear Mr. President:

On behalf of the Senate Select Committee To Study Governmental Operations With Respect To Intelligence Activities, Senator Tower and I want to thank you for the opportunity we had on March 5 to discuss the work of the Committee. I want to express my personal appreciation for the direct and forthright manner in which you addressed some of the initial questions that lay before the Select Committee, and your willingness to assist the Committee to meet its responsibilities under the mandate of S. Res. 21.

We are in agreement that the work of the Committee should proceed as expeditiously as possible and the Committee is gratified at the full and complete cooperation that we have received from the Executive agencies up to this point. In every respect thus far, the agencies have been fully cooperative with the Committee and the staff and I believe this augers well for a constructive and expeditious conclusion to our inquiry.

At our meeting on March 5th with you, we discussed the general areas in which the Committee would need initial documentation. As we discussed, our first requirements are to determine the legal basis for the activities for the intelligence agencies of the United States Government. In this regard, it will be helpful to the Committee to receive from whomever you may designate, the documents, files, and other papers that might be required to fully determine the legal basis for the activities of United States intelligence agencies. With the unanimous approval of the Committee, I respectfully request that the documents on the attached list directly relevant to the inquiry authorized by S. Res. 21, be supplied to the Committee at the earliest opportunity.

With kind regards,

Sincerely,

Frank Church
