

APRIL 12, 1975

Office of the White House Press Secretary

NOTICE TO THE PRESS

The President met this morning for 20 minutes with Japanese Foreign Minister Kiichi Miyazawa. During the meeting, the President reaffirmed the high importance we attach to our alliance with Japan and our determination to continue our vital role as regards the future peace and stability of Asia. The President indicated his high interest in the coming visits by the Emperor in October and by Prime Minister Miki at a mutually convenient time.
