

THE WHITE HOUSE

WASHINGTON

June 22, 1976

The President

of the Senate

Sir:

I ask the Congress to consider an amendment to the request for appropriations transmitted in the budget for the fiscal year 1977 in the amount of \$11,450,000 for the Pennsylvania Avenue Development Corporation.

The details of this proposal are set forth in the enclosed letter from the Director of the Office of Management and Budget. I concur with his comments and observations.

Respectfully,

Enclosure

This amendment will provide funds for the start of the public development projects associated with the Government's decision to proceed with the redevelopment of the Pennsylvania Avenue development district in Washington, D.C. Together with the Treasury borrowing authority already proposed in the fiscal year 1977 budget, these funds will accomplish parts of the plan conceived by the Pennsylvania Avenue Development Corporation and approved by the Congress on May 19, 1975, in accordance with Public Law 92-578. This amendment was anticipated in the fiscal year 1977 budget as an item to be proposed for later transmittal.

I have carefully reviewed the proposal for appropriations in this document and I am satisfied that this request is necessary at this time. I recommend, therefore, that this proposal be transmitted to the Congress.

Respectfully,
