REMARKS BY
THE HONORABLE HENRY A. KISSINGER
SECRETARY OF STATE
UPON THE SECRETARY'S DEPARTURE CAIRO AIRPORT

FEBRUARY 13, 1975

I just wanted to thank Foreign Minister Fahmy and the President for the very warm reception that I received here. I consider the talks very positive. We had a very extensive review of all elements that are involved in peace in the Middle East. I look forward to coming back here in a few weeks.

Thank you very much.
