Dear Mr. President

I want to take the time today to send you the sentiments of one of the citizens of this country. While I have not always agreed with your positions in policies on all subjects, I have always had a healthy respect for your judgement. It is my opinion unfortunately, that a man such as yourself, who has brought honesty, integrity and a very open candidness in the Executive Branch of Government was not returned for another four years.

On behalf of myself and I'm sure many millions of people throughout this country who may not see fit to express their feelings in letter-form, let me just say "thank you".

Sincerely yours,
