Dear Jerry,

On August 8, 1974, Ellen and I sent you a telegram that read:

"You have our prayers and support to continue your fine leadership. With God's help, you will succeed in bringing the nation together."

With God's help AND your leadership, you did bring the nation together again.

We, also, were most disappointed in the November 2nd results. With so little change in the voting pattern, an entirely different result would have been obtained.

But, please, Jerry, don't take the final results as a repudiation of the fine job you have done. You have accomplished much in a short period of time. We shall be forever grateful.

"Jerry Ford - you HAVE done a good job"

Sincerely.
