The Honorable Gerald R. Ford
President of the United States
The White House
Washington, D. C.

Dear President Ford:

I would like to sincerely commend you for the fine race you ran for election to the Presidency. I would also like to again thank you for the support your administration has given to our city and small towns throughout the State of Alabama, particularly those lead by mayors who are black.

You are indeed a great American. We are proud of what you did to restore confidence in the White House. We are confident that you will be proud of the great race you ran and willing to be of public service, in some way, for our country.

My sincere best wishes on behalf of our city to you, Mrs. Ford and your entire family. I hope to personally see you again sometime in the future.

Sincerely yours,

Johnny Ford
Mayor
