Dear Mr. President:

As a member of the Ohio Mayor's For President Ford Committee and President of the Ohio Mayor's Association, I wish to thank you for the valuable services you have given to our United States over your many years in public service and especially the last two years as President. You have always maintained an open ear to the needs of the cities and certainly were most deserving of election as President of the United States. I had the opportunity to speak for your candidacy at many meetings around the State of Ohio and regret that the total State campaign wasn't better executed to the ends of enabling you to carry the Great State of Ohio.

I must say that in my 31 years of life, I have never been as moved by an individual who believes as strongly in service to humanity through public service. I hope and pray that my dedication to public service will always strive to achieve honest and trustful representation of the people in the same manner as you have.

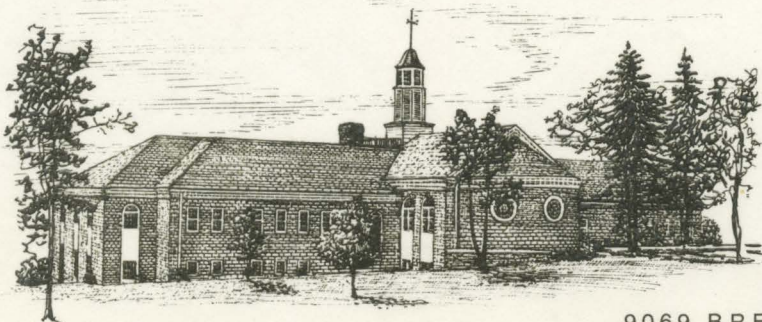

I will always be able to hold my head high when I say that I supported President Gerald R. Ford for election in 1976.

Yours very truly,

Jack A. Hruby
Mayor
