OFFICE OF COMMISSIONER SPRINGER

November 3, 1976

Dear Mr. President:

Pat yourself on the back. If you can't, let me do it for you.

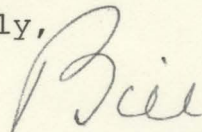

You took over after the most traumatic experience this country has ever undergone in a presidency. You gave this nation two years of good sound government, carrying the world on one shoulder and the country on the other. Then came a primary race that should never have been. After the convention, you tackled an almost impossible uphill fight and turned it into a cliffhanger.

Fritz Kriesler once said, "A football field is 100 yards long and 50 yards wide. Even Tom Harmon can only do so much with that."

Both of us will soon be leaving Washington. A quarter of a century is plenty of time to get a perspective on a friend. Harry Truman is quoted--and his words are well-adapted to you: "Give me a guy who can carry the load when the road is toughest and I'll show you a man for all time."

When the bottom line of history is written, some writer will say, "This was his finest hour!".

Sincerely,

WILLIAM L. SPRINGER
