THE PRESIDENT HAS SEEN....

Dear Mr. President:

As one Democrat who worked with you closely during most of my sixteen and a half years in Congress, I would like to commend you on the manner in which you have handled your duties as President of the United States. I believe that you have done much to restore confidence in the Presidency and in our Federal government. You have served during a difficult period in our history, facing problems which were worldwide in scope and bigger than either the Presidency or the Congress. I know that both you and those of us in Congress have tried conscientiously and diligently to find the right answers and workable solutions.

I wish you the best during the years ahead.

Sincerely,

Honorable Gerald R. Ford

Taylor Has Kind Words

For Ford

Asheville Times 11-5-76

U. S. Rep. Roy A. Taylor had some kind words for President Ford and some good wishes for President-elect Jimmy Carter in a talk Thursday night to the West Asheville Lions Club at the West Asheville Community Center.

"Gerald Ford became president during a difficult period. I had worked with him in Congress for many years, and I knew him to be a decent man with integrity and he demonstrated these qualities as our president," Taylor said.
