Dear Betty - your note
just came and the
copy will get to
Miami Eire home
Congratulations - Thank you
in both. Love you

liked the little square
stom and pillow I sent
you in when you take
a rest - Some dear
friends had given them
to me but I have run
out them to me -

Just talked to Jackie
Firestone - They were
in California - Had
told her had not seen
you since your return -
Now Colorado will be
too deep and am
only sorry the altitude
keeps me from returning
there - The price on
"Trees" I sent is now on

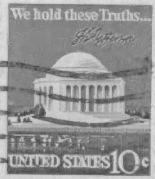

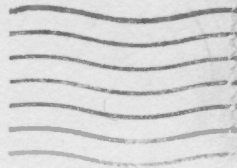

The Mountain aspect that
is so famous in the face

of the year -
I hope you have a fine
Vacation - Cordially -

Dear Betty - I was truly quite
touched that you invited
to have a friendly luncheon
for me on my birth day -
The fact that I will be in
the middle west is the
only reason I cannot accept
your hospitality - Each year
I try to go to Adilum to pay
my respects and love to
M - Am hoping M will
not have snow as I must
motor - This trip will now
take three nights and four
days that before my illness

M E D

used to take one night and
two days - Was so good to
talk to you yesterday and
take care of yourself - My
Mice & you did real well
just had the same operation
as you had and just stayed
by to see how she was - She
was fine - Thirty four years
old - do hope to see you
soon for just a good
visit - My best to you
and kind and warm
affection to you -

Hi Mom Betty - I am desolated
that I will not be with you
to-morrow night when you
are honoring Queen Elizabeth
and Prince Philip - Seems like
I picked up a "bug" when I
got on the Freedom Train
and now have a slight fever
and no voice - Thank you
for asking me as I had
looked forward to seeing
you and President Ford -
Have watched you on T.V.
and you really are
unmatchable - Fondly

Dear Betty - mutual
friend from New
York has asked me to
contact you re the
K.S.O. award they
want to give to you -
I received the same

several years ago -
of course I think the
U.S.O. did much for
our bay during the
war - (you are fortunate
you are too small
to be involved) - I would
like there 18, 20 years
ago in August walking
the streets and not
knowing what to do -
I felt so sad that
each year I supported
the U.S.O. in that
iron - they didn't take
much of a "set up" and
people who worked all
day in offices etc were
the ones working at
the U.S.O. at night to

help entertain the boys -
of course I am.

Naturally more interested
than most people you I
have seen so much of
what happens when the
youngsters leave mother's
apron string - It's a
good cause - Please be
good and go - The
mami &
