Bicentennial Wagon Train Participants
Audiovisual Materials Transferred from the Textual Collection

Summary Description

The Larry and Pauline Asmus audiovisual series consists primarily of color and black and white photographs documenting the Asmus family's participation on the Bicentennial Wagon Train, especially along the Santa Fe Trail. The "Scrapbook" subseries of photographs were removed from the Asmus family's scrapbook, which still contains textual material such as newspaper clippings and itineraries from the trip. Some artifacts were removed from the scrapbook and transferred to the Ford Presidential Museum. Also included are a collection of lithographs of presidential portraits, and a VHS tape of home video taken on the Bicentennial Wagon Train.

QUANTITY

493 photographs and business cards, 1 scrapbook, 37 lithographs, 1 VHS tape
